EVENT OVERVIEW

Established in 2012 in Greenville, South Carolina, Gran Fondo Hincapie is known as THE Ultimate Cycling Experience. The series is distinctive for the high-end customer experience it provides, defined by careful attention to detail and community involvement. Essential to this experience are celebrity and professional cyclists, a high focus on safety, live streaming, segment timing, live tracking, live entertainment at rest stops, and a free family festival. The series is currently comprised of events in four locations: Chattanooga, Tennessee; Lehigh Valley, Pennsylvania; Bangor, Maine; and Greenville, South Carolina. Gran Fondo Hincapie's event structure includes standard ride distances of 15-, 50-, and 80-mile routes, coupled with a focus on the experience of not only the rider, but the family members of the rider and the local community that make our events possible.

WHEN & WHERE

Gran Fondo Hincapie aims to add the City of Merced, California along with four established annual one-day events. We want to work with your community to bring our fifth Gran Fondo Hincapie event to Merced at a date to be determined in March of 2023. Gran Fondo Hincapie-Merced would showcase the culture, scenery, and community in and surrounding Merced.

Known and respected as a top tier mass participation cycling event, Gran Fondo Hincapie continues to draw thousands of cyclists and their families from all 50 states and many counties around the world. An important focus on community involvement facilitates the participation of over 200 local volunteers per event.

A first-year event produces a participation number of approximately 1,000 riders and 200 volunteers. In addition to riders and volunteers, friends and family members are invited to attend the Family Festival and Expo.

FAMILY FESTIVAL & EXPO

Central and unique to the Gran Fondo Hincapie experience is the Family Festival & Expo. Riders, volunteers, along with friends and family are invited to attend for free. The festival features free food and beverage, screens with live footage from the ride courses, children's entertainment, and informational booths from local businesses and industry professionals.

COMMUNITY ACTIVATION

At Gran Fondo Hincapie, how we engage and support our host communities is just as important as the product we provide our participants. A healthy and engaged host community is vital to the long-term success of Gran Fondo Hincapie and the sport of cycling.

Community Participation

Gran Fondo Hincapie is an inclusive event. Whether on the bike or off, there are many ways that members of the Merced community and surrounding areas can be involved. Beyond opportunities to participate as a volunteer and attending the Family Festival and Expo, Gran Fondo Hincapie-Merced will also offer:

Free Registrations for Junior Cyclists

Getting the younger members of our community on bicycles is perhaps our biggest passion! In an effort to grow the sport that has given so much to us, we offer free registration for all cyclists 18 years of age and younger. All a junior participant needs to participate is a bicycle and helmet!

Free Family Ride

In addition to ride distances of 80, 50, and 15-miles, Gran Fondo Hincapie-Merced will feature a Family Ride. This non-competitive event will offer families and friends the opportunity to ride any type of bicycle on a beginner friendly half mile loop around the Family Festival and Expo area.

The focus of this event will be on fun! Participants will be able to complete as many laps as they wish while they are showered with confetti at the start/finish and cheered by volunteers and the Gran Fondo Hincapie Team. Each participant will receive a finishers medal and an invitation to the Family Festival and Expo.

GIVING BACK

Giving Back

We believe that healthy communities are built on coming together to help each other. Central to our philosophy on engaging our host communities are partnerships with local non-profit organizations. With the help of key decision makers in Merced, Gran Fondo Hincapie will partner with local non-profits to donate a portion of proceeds to.
