

City of Merced

RQ#:

Citizen Action Request Form: Traffic Committee

Contact Person: Andy Xiong Day Phone: [REDACTED]

Email Address: [REDACTED]

Address: [REDACTED] Today's Date: 11/15/22

Location of Concern (map attachments and photographs are encouraged):

Intersection of McKee Rd and E. Olive Ave.

Describe Concerns At This Location:

This intersection is often very busy with traffic and it gets much worse during busy hours. There are often problems and vehicle accidents. People often get frustrated and many of them do not wait their turn and cut in front of others. I often find myself nearly getting into an accident at least once a week here and usually I drive cautiously and respectful. I'm certain if it's happening to me this frequently, a consider amount of other hardworking folks in Merced are going through this daily as well. Due to the complexity (# of different routes) and amount of traffic in this intersection, can the City of Merced install traffic lights? This will help greatly in improving traffic flow and minimize accidents. Your consideration is much needed and appreciated! Thank you!!
