

# City of Merced

RQ#: 24-03

## Citizen Action Request Form: Traffic Committee

Contact Person: Monica Jackson

Day Phone: [REDACTED]

Email Address: [REDACTED]

Address: [REDACTED]

Today's Date: 11-15-23

Location of Concern (map attachments and photographs are encouraged):

North Coffee Street in front of Weaver School (nearest cross street is Child's Avenue).

Describe Concerns At This Location:

There are no speed limit signs, nor SPEED BUMPS in front of Weaver School on North Coffee Street. I live directly across the street and people use this stretch of road as if it were a drag strip, including when children are present. I request that speed HUMPS - not just bumps - the double speed bumps (or "humps") are needed to control the speed of traffic through this school zone and help prevent a tragedy from occurring. \*\*see maps, attached\*\*

*Speed limit signs are also needed*
