Location of Concern (map attachments and photographs are encouraged):

El Portal Drive between Parsons Ave and McKee Rd

Describe Concerns At This Location:

Vehicles drive over the speed limit, go around school buses & do not allow for children to safely cross the street both at intersections & along this segment of the street (El Portal Drive between Parsons Ave & McKee Rd) even though the posted speed limit is 25 mph and there is a double solid line along the street. This creates a dangerous environment in the neighborhood. I am requesting a four way stop sign or a traffic light at the intersection of Parsons Ave and El Portal Dr. You are also welcome to intermittently park the speed trailer in front of my house to remind drivers to SLOW DOWN. Also, please MONITOR & ENFORCE the traffic in this area during times where children are present. We have more than 3 schools & more than 3 parks within a 2 mile radius of this area.

Rahilly Park 0.3 miles from the middle section of the street.

Bub Carpenter Neighborhood Park 0.5 miles from the middle section of the street

Richard Bernasconi Neighborhood Park 0.5 miles from the middle section of the street.

Chenoweth Elementary School 0.6 miles from the middle section of the street, school starts at 8:25am, releases at 2:55pm

Cruickshank Middle School 1.8 miles from the middle section of the street, school starts at 9:10am, releases at 3:35pm

Golden Valley High School 0.0 miles from the middle section of the street, 7:04am bus pick-up, 4:13pm bus drop-off
