

The background image shows a street scene during autumn. On the left, a large American flag is flying from a pole attached to a light-colored building. The trees in the background have vibrant orange and yellow leaves. A street lamp is visible in the lower right, and a street sign for 'M St' with an American flag icon is partially visible. The text 'City Council Sponsored Public Art Project' and '250th Commemorative Mural' is overlaid in white on the image.
