- F.5. **SUBJECT: REQUEST #24-12 Requesting Signage Or Markings At The Loading Zone Off N And Main Street And Red Paint Or Markings To Distinguish The "No Parking" Spot.**

**REPORT IN BRIEF**

Citizen states there are no marked time frames or signage to enforce the loading zone and no parking area. Residents and drivers are left confused when ticketed for using these zoned parking spots.

**Attachments:** [Request #24-12](#)

A motion was made by Member Olmos, seconded by Member Wilson, that this Business Item be continued and inquire if the loading zones are necessary. Item will be referred to property management as well as the City Managers office to establish responsibility or the removal of the zones. The motion carried by a unanimous vote.

Citizen states speed bumps should be installed near the apartments because there are a lot of vehicles speeding in the area. The street is narrow due to vehicles parked on both sides of the street and not enough apartment parking spaces. There is a lack of street lighting throughout S. Canal and this street can benefit from light posts since its close to the schools and streets are narrow. The corner of W. Childs Ave. and S. Canal can also benefit from sidewalks as they do not extend throughout the whole street on S. Canal.

**Attachments:** [Request #24-14](#)

A motion was made by Member McKinnon, seconded by Member Wilson, that this Business Item be approved and Traffic Committee to support future agenda items regarding sidewalk additions after PW review. The motion carried by a unanimous vote.

**SUBJECT:** REQUEST #24-15 Requesting Space On Golden Valley Health Center (GVHC) Property To Prevent Traffic And Accidents From Occurring On A Busy Street.

**REPORT IN BRIEF**

Citizen states that there are only two lanes, one that goes in each direction on W Childs Ave. When the bus stops in front of the clinic, it does not leave space for vehicles on the road to keep going and nearly causes accidents. There should be space on GVHC property to prevent traffic and accidents from occurring on a busy street.

**Attachments:** [Request #24-15](#)

A motion was made by Member McKinnon, seconded by Member Wilson, that this Business Item be denied but referred to GVHC and MCAG. The motion carried by a unanimous vote.

**SUBJECT:** REQUEST #24-17 Requesting Flashing Light Alerting Drivers That School Children Are Crossing, Stop Signs To Slow Down Traffic, Or A Left Turning Signal To Prevent Speeding Cars That Are Turning To Go Before Or After Children Safely Cross The Street.

**REPORT IN BRIEF**

Citizen states that the intersection at Alicia Reyes Elementary School, off of N St. and W. Childs Ave., currently does not have a left turn signal light at any of the 4 lights. During drop off and pick up times, when traffic increases the most, many children walk home and cross the street while vehicles

speed through and pose a safety risk to the children. There should be a flashing light alerting drivers that school children are crossing, stop signs to slow down traffic, or a left turning signal to prevent speeding cars that are turning to go before or after children safely cross the street. Citizen also states that a crossing guard would help but would not be enough.

Other community members have also mentioned that there are multiple streets in South Merced where there are no stop signs at 4-point intersections.

**Attachments:** [Request #24-20](#)
