(d) There are no actions, suits, or proceedings pending or, to the best knowledge of Partnership, threatened against or affecting Partnership, the Property, or any part of it, or involving the validity or enforceability of the Trust Deed, the priority of the lien, or the validity or enforceability of any of the other Loan Documents, at law or in equity, or before or by any local, state or federal governmental agency. Partnership is not in default with respect to any order, writ, injunction, decree, or demand of any court or other local, state or federal governmental agency.

(e) The consummation of the transactions covered by this Loan Agreement and the payment and performance of all of the obligations in the Loan Documents will not result in any breach of, or constitute a default under, any mortgage, deed of trust, lease, contract, loan or credit agreement, corporate charter, bylaws, partnership agreement, trust agreement, or other instrument to which the Partnership or any of its general partners is a party or by which it or they or the Property may be bound or affected.

Each monthly draw request of funds shall be made by the Partnership to the City. Said request shall include copies of paid invoices to substantiate each line item requested. The City shall provide funds for all expenses incurred each month, up to a cumulative total of Five Hundred Thousand Dollars (\$500,000).

The HOME Loan's term shall be forty (40) years following the Conversion Date, with payments deferred until the Net Cash Flow (as defined in the CLCA) of the Project shall provide for payments to begin. The annual principal and interest, if any, payments shall be made by the 1st of the sixth month following the conclusion of each fiscal year of the Project.

Partnership shall have the right to prepay the HOME Loan at any time and from time to time, without penalty or premium, provided that any prepayment of principal must be accompanied by interest, if any, accrued but unpaid to the date of prepayment. Prepayments shall be applied first to accrued but unpaid interest, if any, and then to principal. Any such prepayment shall have no effect upon Partnership's obligations under the Regulatory Agreement which shall survive for the full term of the Regulatory Agreement.

Unless City agrees otherwise in writing, the entire unpaid principal balance and all interest and other sums accrued under the HOME Note shall be due and payable upon the transfer of the Property absent the prior written consent of City of all or any part of or interest in the Property except as otherwise permitted pursuant to this Loan Agreement or the CLCA.

**CITY OF MERCED
NOTE**

(Gateway Terrace Apartment II Project—HOME Loan)

\$500,000

Merced, California

JUNE 4, 2018

FOR VALUE RECEIVED, Merced Gateway Investors II, LP, a California Limited Partnership (“Borrower”), promises to pay to the City of Merced, a California Charter Municipal Corporation (the “City”), or order, the principal sum of Five Hundred Thousand Dollars (\$500,000), or so much thereof as may be advanced by the City to or on behalf of the Borrower pursuant to a Deed Restriction Covenant and Loan Agreement dated JUNE 4, 2018 (the “HOME Loan Agreement”), by and between the Borrower and the City, together with interest thereon as specified herein (the “HOME Loan”). The obligation of the Borrower in respect of all such advances is subject to the terms of (a) a City Loan Commitment Agreement Commitment dated July, 17, 2017 (the “CLCA”), between the City of Merced (the “City”) and the Borrower, (b) a Regulatory Agreement and Declaration of Restrictive Covenants between the Borrower and the City dated JUNE 4, 2018 (the “HOME Regulatory Agreement”), (c) this HOME Note, (d) the Deed of Trust and Security Agreement of even date hereof, securing this HOME Note, recorded in the Official Records of the County Recorder of Merced County, California (the “HOME Deed of Trust”), and (e) the HOME Loan Agreement, which together with all other loan related documents and instruments required by the City are collectively referred to as the “HOME Loan Documents.”

1. Borrower’s Obligation. This promissory note (the “HOME Note”) evidences the Borrower’s obligation to pay the City the principal amount of Five Hundred Thousand Dollars (\$500,000) for the funds advanced to the Borrower by City to refinance the development of the Property (the “Development”) for the purposes and pursuant to the terms set forth in the CLCA. Borrower shall submit monthly draw requests, up to a cumulative total of \$500,000. All capitalized terms not otherwise defined in this HOME Note shall have the meanings set forth in the CLCA.

2. Interest. The outstanding principal balance of this HOME Note shall bear simple interest at the rate of zero percent (0%) from the date of initial advance by the City

until completion of construction of the Development, as evidenced by the issuance of the certificate of occupancy for the Development (the "Conversion Date"), and thereafter, shall bear simple interest at the rate of three percent (3%) per annum until repaid; provided, however, if a Default occurs, interest on the principal balance shall begin to accrue, as of the date of Default (following expiration of applicable notice and cure periods), and continuing until such time as the Loan funds are repaid in full or the Default is cured, at the default rate of the lesser of seven percent (7%), compounded annually, or the highest rate permitted by law.

3. Term and Repayment Requirements. The term of this HOME Note (the "Term"), shall commence with the date of this HOME Note and shall expire on the date that is forty (40) years following the Conversion Date. This HOME Note shall be due and payable as set forth in the CLCA. Payments shall be paid annually in arrears, no later than June 1 of each year with respect to the previous calendar year, with payments deferred until the Net Cash Flow (as defined in the CLCA) of the Project provide that payments should begin and in the priority as described in the CLCA.

Borrower shall have the right to prepay this HOME Note in whole or in part without penalty.

Unless otherwise specified hereinabove, each payment shall be credited first on interest (if any) then due and the remainder on principal; and interest shall thereupon cease upon the principal so credited.

4. No Assumption. This HOME Note shall not be assumable by the successors and assigns of Borrower without the prior written consent of the City, or as set forth in the HOME Loan Agreement and HOME Regulatory Agreement.

5. Security. This HOME Note is secured by the HOME Deed of Trust, wherein the Borrower is the Trustor and the City is the Beneficiary, covering the Property.

6. Terms of Payment.

(a) All payments due under this HOME Note shall be paid in currency of the United States of America, which at the time of payment is lawful for the payment of public and private debts.

(b) All payments on this HOME Note shall be paid to City at the office of the City, 678 West 18th Street, Merced, CA 95340, Attn: Housing Division & City Clerk, or to such other place as the City may from time to time designate in writing.

(c) All payments on this HOME Note shall be without expense to the City, and the Borrower agrees to pay all costs and expenses, including reconveyance fees and reasonable attorney's fees of the City, incurred in connection with the payment of this HOME Note and the release of any security hereof.

(d) Notwithstanding any other provision of this HOME Note, or any instrument securing the obligations of the Borrower under this HOME Note, if, for any reason whatsoever, the payment of any sums by the Borrower pursuant to the terms of this HOME Note would result in the payment of interest which would exceed the amount that the City may legally charge under the laws of the State of California, then the amount by which payments exceeds the lawful interest rate shall automatically be deducted from the principal balance owing on this HOME Note, so that in no event shall the Borrower be obligated under the terms of this HOME Note to pay any interest which would exceed the lawful rate.

(e) This HOME Note shall be nonrecourse to Borrower and its partners.

7. Default.

(a) Any of the following shall constitute an Event of Default under this HOME Note:

(i) Any failure to pay, in full, any regularly scheduled payment required under this HOME Note when due following written notice by City of such failure and ten (10) days opportunity to cure;

(ii) Any failure in the performance by the Borrower of any terms, condition, provision or covenant set forth in this HOME Note subject to the notice and cure period set forth in the CLCA; and

(iii) The occurrence of any Event of Default under the HOME Loan Agreement, the HOME Deed of Trust, or the HOME Regulatory Agreement, or other instrument securing the obligations of the Borrower under this HOME Note or under any other promissory notes hereafter issued by the Borrower to the City pursuant to the HOME Loan Agreement or the HOME Deed of Trust, subject to notice and cure period, if any, set forth therein.

Notwithstanding anything to the contrary contained herein, City hereby agrees that any cure of any default made or tendered by one or more of Borrower's limited partners shall be deemed to be a cure by Borrower and shall be accepted or rejected on the same basis as if made or tendered by Borrower. Copies of all notices which are sent to Borrower hereunder shall also be sent to Merced Gateway Investors II, LP, a California Limited Partnership, 3351 "M" Street, Suite #100, Merced, California 95348, Attention: Christina Alley.

(b) Upon the occurrence of such an Event of Default, the entire unpaid principal balance, together with all interest thereon, if any, and together with all other sums then payable under this HOME Note and HOME Deed of Trust shall, at the option of the City, become due and payable in full, without further demand.

(c) The failure to exercise the remedy set forth in Subsection 7(b) above or any other remedy provided by law upon the occurrence of one or more of the foregoing events of default shall not constitute a waiver of the right to exercise any remedy at any subsequent time in respect to the same or any other default. The acceptance by the City of any payment which is less than the total of all amounts due and payable at the time of such payment shall not constitute a waiver of the right to exercise any of the foregoing remedies or options at that time or any subsequent time, or nullify any prior exercise of any such remedy or option, without the express consent of the City, except as and to the extent otherwise provided by law.

8. Waivers.

(a) The Borrower hereby waives diligence, presentment, protest and demand and notice of protest, notice of demand, and notice of dishonor of this HOME Note. The Borrower expressly agrees that this HOME Note or any payment hereunder may be extended from time to time and that the City may accept further security or release any security for this HOME Note, all without in any way affecting the liability of the Borrower.

(b) No extension of time for payment of this HOME Note or any installment hereof made by agreement by the City with any person now or hereafter liable for payment of this HOME Note shall operate to release, discharge, modify, change or affect the original liability of the Borrower under this HOME Note, either in whole or in part.

(c) The obligations of the Borrower under this HOME Note shall be absolute and the Borrower waives any and all rights to offset, deduct or withhold any payments or charges due under this HOME Note for any reason whatsoever.

9. Miscellaneous Provisions.

(a) All notices to the City or the Borrower shall be given in the manner and at the addresses set forth in the HOME Loan Agreement, or to such addresses as the City and the Borrower may hereinafter designate.

(b) The Borrower promises to pay all costs and expenses, including reasonable attorney's fees, incurred by the City in the enforcement of the provision of this HOME Note, regardless of whether suit is filed to seek enforcement.

(c) This HOME Note may not be changed orally, but only by an agreement in writing signed by the party against whom enforcement of any waiver, change, modification or discharge is sought.

(d) This HOME Note shall be governed by and construed in accordance with the laws of the State of California.

(e) The times for the performance of any obligations hereunder shall be strictly construed, time being of the essence.

(f) This document, together with the HOME Loan Documents, contains the entire agreement between the parties as to the HOME Loan. It may not be modified except upon written consent of the parties.

AUTHORITY

Per Housing Urban Development Department (HUD), a participating jurisdiction is required to designate 15% of its HOME Investment Partnership Program (HOME) funds to a Community Housing Development Organization (CHDO); and, allowable by Community Development Block Grant Program as an eligible activity due to over 51% of the units and designated for Low-Income families and 22% (10 Units) are being reserved for veterans with VASH vouchers.

CITY COUNCIL PRIORITIES

The development is part of the Community's goals as described in the 2015-2020 HUD Consolidated Plan and budgeted in the 2017 HUD Annual Action Plan for the City of Merced.

DISCUSSION

Staff is requesting Council to approve three loans through several loan agreements totaling \$1,385,000. The loans through the City provide partial financial assistance to Merced Gateway Investors II, L.P. (Central Valley Coalition for Affordable Housing) for Merced Gateway Terrace II Development.

The City Council approved the Gateway Terrace II Apartment City Loan Commitment Agreement (CLCA) and loan package on July 19, 2017. The Merced Gateway Terrace II Development is a 50 unit residential complex consisting of one (1) Moderate-Income Unit, thirty-nine (39) Low-Income Units, and ten (10) Units reserved for Veterans with VASH Vouchers.

Of the 50-units in the development, the City is providing financial assistance to the following:

- HOME Investment Partnership Program (HOME) loan would fund 3 (three) of the Low-Income units;
- Community Housing Development Organization (CHDO) loan provides general assistance for the development of low-income rentals funding 4 (four) of the Low-Income units; and,
- Community Development Block Grant loan provides financial assistance to the developer for the on and off-site infrastructure improvements.

In order for the development to be financially feasible, the developer would partner with the local Veteran's Affairs office to provide housing to 10 (ten) veterans.

City Housing is providing a total of \$1,385,000 in Home Investment Partnerships Program (HOME & CHDO) and Community Development Block Grant funds. These funding sources, combined with Sewer and Water Enterprise Funds combined with Federal Tax Credits inject enough capital to allow Gateway Terrace Development to move forward.

The financing contributions are as follows:

Community Development Block Grant:

- \$370,590 - CDBG - FY 2015/16

HOME Investment Partnership Program:

- \$300,000 - HOME - FY Pre-2015
- \$55,000 - HOME - FY 2015/16
- \$145,000 - HOME - FY 2016/17

Community Housing Development Organization / HOME Investment Partnership Program:

- \$150,000 - CHDO (HOME) - FY 2015/16
- \$150,000 - CHDO (HOME) - FY 2016/17
- \$214,410 - CHDO (HOME) - FY 2017/18

Total = \$1,385,000

The City Loan Commitment Agreement (Attachment 3) approved by the City Council on July 19, 2017, provides for a 3% interest rate on each of the loans and indicates repayment will be made by the Project's net cash flow.

When the funding allocations were established in 2017, they were based upon funding availability at that point in time. Since then the funding amounts available from each grant year has varied due to expenditures during the current fiscal year. However, the total amount allocated to fund the development of the project has not changed.

HOME Loan

The HOME Investment Partnership Program (HOME) funds are provided to assist with developing and increasing the amount of Low-Income Housing units available within our community. HOME funds available for this development are from three funding cycles. HOME funds from the Fiscal Year 2017/18 would be returned to HUD if the Loan Documents are not approved. HUD requires all funds must be obligated to a specific activity (Gateway Terrace II) within 24 months of disbursement to a participating jurisdiction. In order for City Housing to provide financial assistance, each loan would require approval by the City Council. Once these loan documents are approved and recorded, construction of this development could begin.

The HOME loan is reflected in the following documents:

- Attachment 9 - HOME - Resolution No. 2018-34
- Attachment 10 - HOME - Regulatory Agreement
- Attachment 11 - HOME - Notice of Affordability
- Attachment 12 - HOME - Deed Restrictions Covenants & Loan Agreement
- Attachment 13 - HOME - Agreement Containing Covenants Affecting Real Property
- Attachment 14 - HOME - Note
- Attachment 15 - HOME - Deed of Trust & Security Agreement

The funding through the California Statewide Communities Development Authority (CSCDA) is

intended to be the first funding for the project. Citibank is CSCDA's lender for this purpose. As a condition of funding, Citibank is requiring that its loan be in the first position and all other loans be in a second or subsequent position. This means that the City's rights to enforce its agreements are subject to consent of Citibank as the Senior Lender. It also means that, should the borrower default on its first loan, the City's loans could not be repaid.

The CHDO Loan

As a Participating Jurisdiction, the City of Merced is required to set aside at least 15% of its HOME funds for use by a Community Housing Development Organization (CHDO). CHDO is a special HUD defined non-profit organization that has, as its mission, the development of affordable housing. The City and the State of California have designated Central Valley Coalition for Affordable Housing as an eligible CHDO.

The City has provided funding to the Central Valley Coalition for Affordable Housing for several years per HUD regulations regarding CHDOs. As a CHDO, funding provided from the City must be used on a low-income housing or multi-family housing project and requires only a note and loan agreement between the City and CHDO.

The CHDO loan is reflected in the following documents:

- Attachment 16 - CHDO - Resolution No. 2018-35
- Attachment 17 - CHDO - Note
- Attachment 18 - CHDO - Deed of Trust & Security Agreement
- Attachment 19 - CHDO - Deed Restrictions Covenants & Loan Agreement
- Attachment 20 - CHDO - Notice of Affordability
- Attachment 21 - CHDO - Regulatory Agreement
- Attachment 22 - CHDO - Agreement Containing Covenants Affecting Real Property

Community Development Block Grant Loan

The Community Development Block Grant Loan commitment of \$370,590 is an allowable activity for this grant. CDBG funds are only allowed to reimburse the on- and off-site infrastructure improvements for the project. Per HUD's Rules and Regulations, CDBG funds are not allowed to fund the construction of new housing units. The Housing Division is only allowed to use CDBG funds within this project due to the necessary infrastructure improvements required.

The CDBG loan is reflected in the following documents:

- Attachment 23 - CDBG - Resolution No. 2018-36
- Attachment 24 - CDBG - Agreement Containing Covenants Affecting Real Property
- Attachment 25 - CDBG - Note
- Attachment 26 - CDBG - Deed of Trust & Security Agreement
- Attachment 27 - CDBG - Deed Restrictions Covenants & Loan Agreement
- Attachment 28 - CDBG - Notice of Affordability

Staff is recommending approval of the loan agreements for the development with the exception of allowing the City Legal Counsel to make adjustments as might be needed to maintain conformity to

the provisions of the City Loan Commitment Agreement (CLCA) and other Grant agreements.

Additionally, in order for the project to serve the clientele and maximize the density of the site, Housing Staff is recommending the approval of the Parking Agreement (Attachments 7 & 8). Housing Staff and the Developer analyzed the parking demands of other affordable housing projects that serve a specialized clientele such as Gateway Terrace II (10 units reserved for Veterans). The analysis determined a demand of less than one parking space is used within similar types of affordable housing projects. The Developer is asking for a reduction of required parking for the development to 51 total parking spaces.

With the project having a total of 50 units, this would provide one space per unit, plus one additional parking space. The property is zoned for High Density Residential (R-4) and permits multi-family dwellings. The project meets the City's General Plan and Housing Element goals to develop quality multi-family projects within the community. Housing Staff does not foresee a parking issue for this project from the reduction as there is ample on-street parking available surrounding the project site on 12th and 13th Streets.

IMPACT ON CITY RESOURCES

The City Council approved the CLCA and loan package on July 19, 2017. The necessary budget actions were made at that time and no adjustments are needed.
