THIS CONTRACT is made and entered into this ____ day of _____, 2026, at Merced, California, by and between the City of Merced (“City”), a California Charter Municipal Corporation, and Rincon, a California Corporation, whose address of record is 7080 North Marty Avenue, Fresno, CA 93722 (“Consultant”) for the purpose of providing full service Planning and Environmental Compliance Services for the City of Merced.

WHEREAS, City does not have sufficient personnel to perform full-service Planning and Environmental Compliance services thereby necessitating this Contract for on-call professional services.

NOW, THEREFORE, the Parties covenant and agree, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged and agreed, as follows:

SECTION 3. TERM AND TERMINATION

- A. The term of this Contract shall commence upon the day first above written and end on June 30, 2028. The City shall have the option to extend this Contract for two (1) year terms. Time is of the essence.
- B. Either Party may terminate this Contract without cause on thirty (30) calendar days’ written notice.

- C. City may terminate this Contract immediately upon written notice to Consultant if funding ceases or is materially decreased during the term of this Contract.
- D. In the event that City gives notice of termination, Consultant shall promptly provide to City any and all finished and unfinished reports, data, studies, photographs, charts, or other work product prepared by Consultant pursuant to this Contract. City shall have full ownership, including, but not limited to, intellectual property rights, and control of all such finished and unfinished reports, data, studies, photographs, charts, or other work product.
- E. In the event that City terminates the Contract, City shall pay Consultant the reasonable value of services rendered by Consultant pursuant to this Contract; provided, however, that City shall not in any manner be liable for lost profits which might have been made by Consultant had Consultant completed the services required by this Contract. Consultant shall, not later than ten (10) calendar days after termination of this Contract by City, furnish to City such financial information as in the judgment of the City's representative is necessary to determine the reasonable value of the services rendered by Consultant.
- F. In no event shall the termination of this Contract be construed as a waiver of any right to seek remedies in law, equity, or otherwise for a Party's failure to perform each obligation required by this Contract.

SECTION 4. MISCELLANEOUS TERMS AND CONDITIONS OF CONTRACT

- A. City shall make its facilities accessible to Consultant as required for Consultant's performance of its services under this Contract, and, upon request of Consultant at times convenient to City, provide labor and safety equipment as required by Consultant for such access.

- E. Consultant shall, during the entire term of this Contract, be construed to be an independent contractor and nothing in this Contract is intended, nor shall it be construed, to create an employer/employee relationship, association, joint venture relationship, trust, or partnership or to allow City to exercise discretion or control over the professional manner in which Consultant performs under this Contract; provided, however, that the services to be provided by Consultant shall be provided in a manner consistent with the professional standards applicable to such services. The sole interest of City is to ensure that services are rendered and performed in a competent, efficient, and satisfactory manner. Consultant shall be fully responsible for payment of all taxes due to state and federal governments, which would be withheld from compensation if Consultant were a City employee. City shall not be liable for deductions for any amount for any purpose relating to Consultant's compensation. Consultant shall not be eligible for coverage under City's workers' compensation insurance plan, benefits under the City's retirement plan, or be eligible for any other City benefit. No party shall be the agent of, or have a right or power to bind, the other Party without its express written consent.

In the event Consultant or any employee, agent, or subcontractor of Consultant providing services under this Contract is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Consultant shall indemnify, protect, defend, and hold harmless the City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Consultant or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

- F. No provision of this Contract is intended to, or shall be for the benefit of, or construed to create rights in, or grant remedies to, any person or entity not a party hereto, including any third-party beneficiary.
- G. No portion of the work or services to be performed under this Contract shall be assigned, transferred, conveyed, or subcontracted without the prior written approval of City. Consultant may use the services of independent contractors and subcontractors to perform a portion of its obligations under this Contract with the prior written approval of City. Independent contractors and subcontractors shall be provided with a copy of this Contract and Consultant shall have an affirmative duty to assure that said independent contractors and subcontractors comply with the same and agree to be bound by its terms. - H. Consultant, at such times and in such form as City may require, shall furnish City with such periodic reports as it may request pertaining to the work or services undertaken pursuant to this Contract, the costs or obligations incurred or to be incurred in connection therewith, and any other matters covered by this Contract.
- I. Consultant shall maintain accounts and records, including personnel, property, and financial records, adequate to identify and account for all costs pertaining to this Contract and such other records as may be deemed necessary by City to assure proper accounting for all project funds. These records shall be made available for audit purposes to state and federal authorities, or any authorized representative of City. Consultant shall retain such records for three (3) years after the expiration of this Contract, unless prior permission to destroy them is granted by City or unless a longer retention period is required by a funding source for this Contract.
- J. Consultant shall perform all services required pursuant to this Contract in the manner and according to the standards observed by a competent practitioner of Consultant's profession. All products of whatsoever nature, which Consultant delivers to City pursuant to this Contract, shall be prepared in a professional manner and conform to the standards

of quality normally observed by a person practicing the profession of Consultant and its agents, employees, and subcontractors assigned to perform the services contemplated by this Contract.

- K. Unless Consultant is specifically advised in writing by City to verify data, Consultant shall be entitled to rely upon the accuracy and completeness of all data furnished by City to Consultant that is used by Consultant in providing its services under this Contract. Consultant may retain and use all data furnished to it, except such data which may be marked "confidential" and required to be returned, and may use all plans, designs, specifications, and other work product created by Consultant in providing services hereunder. Any use of such work product that includes proprietary information shall not identify City; nor shall the manner of such use have the effect of identifying City. In any reuse by Consultant for any non-City purpose of any data, drawings, plans, etc., prepared for City, Consultant shall fully release, protect, defend, indemnify, and hold harmless City, its officials, officers, employees, and agents from all claims, costs, expenses, damage, or liability arising out of or resulting from the reuse or modification of any reports, data, documents, drawings, specifications, or other work product prepared by Consultant for City for any entity or purpose other than for City's benefit.
- L. All completed reports and other data or documents, or computer media including diskettes, and other materials provided or prepared by Consultant in accordance with this Contract are the property of City, and may be used by City. City shall have all intellectual property rights including, but not limited to, copyright and patent rights, in said documents, computer media, and other materials provided by Consultant. City shall release, defend, indemnify, and hold harmless Consultant from all claims, costs, expenses, damage, or liability arising out of or resulting from the use or modification of any reports, data, documents, drawings, specifications, or other work product prepared by Consultant, except use by City on those portions of the project for which such items were prepared.

seq.), Government Code Section 1090 *et seq.*, and other laws relating to conflicts of interest, including the following: 1) Consultant shall not make or participate in a decision made by City if it is reasonably foreseeable that the decision may have a material effect on Consultant's economic interest, and 2) if required by City Clerk, Consultant shall file financial disclosure forms with the City Clerk.

- N. Consultant shall assign only competent personnel to perform services pursuant to this Agreement. In the event that City, in its sole discretion, at any time during this Agreement, desires the reassignment of any such persons, Consultant shall, immediately upon receiving notice from City of such desire of City, reassign such person or persons.
