Re: Vallarta Food Enterprises, Inc.
Vallarta Supermarkets #76
851 West Olive Avenue, Suite 370
Merced, CA 95348

To Whom It May Concern:

Please consider this letter our request for a determination of Public Convenience and/or Necessity (PCN) for a Type 21 Liquor License which is required by the Department of Alcoholic Beverage Control (ABC) pursuant to Business and Professions Code Section 23958.4.

Vallarta Food Enterprises, Inc., will prove to be extremely desirable to the public convenience and welfare by providing area residents, visitors and workers with comfortable shopping in a warm friendly atmosphere. We will operate in a conscientious and thoughtful way, always with sensitivity to any possible detriment to those residents that might be affected.

The applicant requests to sell alcoholic beverages for off-site consumption and in conjunction will not jeopardize, endanger or otherwise constitute a menace to public health, safety or general welfare. Vallarta Supermarkets store operating hours are 7:00am – 10:00pm daily. We are fully aware of the unique responsibilities of operating a store associated with alcoholic beverage sales. Although alcohol sales are only a small portion of our business, as part of the shopping experience we believe that our customers desire the convenience of being able to purchase alcoholic beverages. This convenience is imperative to our ability to serve and attract our customers.

We respectfully request that Merced City Council determine that the Public Convenience and Necessity would be served by the issuance of this license. Please do not hesitate to contact me if you have any further questions or require any additional information.

Thank you for your assistance.

Sincerely,

Trey Lindle
