F. BUSINESS**F.1**

SUBJECT: REQUEST #25-23 Requesting Stop Signs on Callie St

REPORT IN BRIEF

Citizen shares concerns explaining how there are no stop signs on Callie Street at each intersection. Citizen states there has been multiple crashes and is requesting that stop signs be installed at each intersection along Callie St coming from the courts located on the west and east side of Callie.

Member OLMOS discussed that this is a new subdivision with not a high volume of traffic. Member HAYGOOD provided the collision data for the intersections close to the request.

No public speakers were in attendance for this request.

Member HAYGOOD voted no.

A motion was made by Member Wilson, seconded by Member Olmos, that this agenda item be denied due to the lack of warrants. The motion carried by the following vote:

Aye: 0

No: 0

Absent: 4 - Member McKinnon, Chairperson Maddox, Member McKeeman, and Member Mendoza-Gonzalez

F.2**SUBJECT: REQUEST #25-24 Requesting Speed Bump To Be Installed
On Michelle Drive****REPORT IN BRIEF**

Citizen shares concern for safety due to vehicles traveling at high speeds westbound on Arrow Wood Drive, turning southbound on Michelle Drive. Citizen states they have to cross Michelle Drive to collect their mail and are afraid of being hit. Citizen is requesting a speed bump be installed on Michelle Drive to slow down motorists.

Member HAYGOOD reported that there are no accidents reported for the area of this request and stated traffic enforcement may be able to assist with speeding. Member OLMOS stated striping on the streets are thermoplastic and visible. Chair JORDAN reminded the public about traffic calming procedures.

Member OLMOS asked about the installation of a speed limit sign for the subdivision, and Chair JORDAN stated the Engineering Department is overseeing a citywide speed study and will see if the street in question can have a speed limit sign added.

Member HAYGOOD voted no to deny the vote.
