SUBJECT: Vesting Tentative Subdivision Map #1335 ("Bellevue Ranch North Village 24") initiated by Benchmark Engineering, applicant for Hostetler Investments, LLC, property owner. This application involves a request to subdivide approximately 17.90 acres into 55 single-family lots within a gated community. The lots would range in size from approximately 8,000 square feet to approximately 18,000 square feet. The subject site is generally located on the west side of G Street, south of E. Old Lake Road, within Planned Development (P-D) #42, with a General Plan designation of Low Density Residential (LD); *PUBLIC HEARING*.

ACTION: Approve/Disapprove/Modify

- 2) Vesting Tentative Subdivision Map #1335

SUMMARY

The subject site is located west of G Street, south of E. Old Lake Road, as shown at Attachment B. The proposed subdivision would subdivide approximately 17.90 acres of land into 55 single-family lots within a gated community (Attachment C). The lots would generally range in size between 8,000 square feet and 18,000 square feet, with most of the lots being approximately 10,000 square feet.

This subject site is part of the Bellevue Ranch Master Development Plan and is commonly referred to as Village 24 (Attachment E). This subdivision would be the second phase of a gated community. The first phase of the gated community was approved in 2019 by the Planning Commission (Village 23 - 58 single-family lots on 23.20 acres) and is currently pending construction. Together Villages 23 and 24 would total 113 single-family lots within this gated community.
