Our goal of this farm-to-table event is to explore new & interesting ways to connect Merced County residents to the local foods & the farming community that produces them. This mission will be accomplished by presenting FEAST dinner guest with a multi-course meal with menu creations based around what agricultural products are in season, harvested from farmer's fields in Merced

Day 2 : FEAST Concert

FREE EVENT

Join us for an evening concert featuring local musicians at Bob Hart Square, the FEAST will host a free concert for the public. The Square will have plenty of grass space and a limited amount of benches. Come early to grab a great spot on the grass or an open bench. Make sure to bring a picnic to enjoy the musical sounds. This is a family friendly event for all ages. You bring the food, we bring the entertainment.
