Location of Concern (map attachments and photographs are encouraged):
*26th Street in front of Hoover Middle School. (speed bumps)
*^{Put in} (crosswalk) On 26th Street by 9th Ave by the big gates in front of school.

Describe Concerns At This Location:
Speeding and no crosswalk where students cross every morning. Cars go up to 50+ miles per hour on 26th street, especially in front of the school at all hours of the day & night. Many children also play city sports at the Hoover field and this is very hazardous. Also, there needs to be a crosswalk in front by the gates by the baseball fields. That is where students enter school.
