Address: ████████████████████ Today's Date: 1/2/2024

Location of Concern (map attachments and photographs are encouraged):

West 11th Street and W Street

Describe Concerns At This Location:

Signs and paint on the street have been added and have failed to influence a reduction in traffic volume, speed, increasing commercial truck traffic and now increasing incidents of drivers spinning donuts on W Street at West 11th Street. As people are now spinning donuts in intersections (terrorizing neighborhoods, polluting the air with burning rubber and violating road safety mores), it is obvious people feel compelled to drive in circles in intersections - traffic circles will meet that need
