PUBLIC COMMENTS

- Public hearing Notices were published in a qualifying newspaper and mailed to property owners within 300 feet of the subject site.
- Staff did not receive public comments from property owners at the time this report was prepared.
- Staff reached out to utility companies and other agencies to solicit comments. If comments were provided, they are included in Attachment I of PC SR #25-077.

ELEVATIONS & DEVELOPMENT STANDARDS

- **Condition #14:** Elevations shall comply with the BRMDP standards which include, but are not limited to, stucco siding, architectural wood grade siding, architectural shingles, and a variety of colors, textures, and materials. Elevations to be reviewed during the building permit stage.
- **Condition #17:** Each lot shall provide a minimum of 1 parking spaces.

ADDITIONAL CONDITIONS

- Condition #5: The development shall comply with the BRMDP (including as amended over the years).
- Condition #32: Cul-de-sac bulbs shall have a minimum diameter of 96 feet and shall be posted as “No Parking” in compliance with Fire Department Standards under MMC 17.32.
- Condition #33: All streets within the subdivision are private streets and shall be privately maintained. An easement for utilities and access shall be granted to the City of Merced.
- Condition #35: Entrance gates shall be setback a minimum of 20 feet and allow stacking for at least 2 vehicles. The gate shall provide fire/refuse access through “click to enter” system. Gates shall be at least 14 feet wide.
- Condition #36: Fire hydrants shall be installed as required by the Fire Dept.

PLANNING COMMISSION ACTION

Approval/Disapprove/Modify:

- Environmental Review #24-41 (CEQA Section 15162 – reuse existing environmental study from BRNMPD)
- Tentative Subdivision Map #1335 (subject to 46 conditions of approval)
