A wide-angle photograph of the Merced Yosemite Regional Airport terminal building. The building is a modern structure with a dark grey, textured facade. It features a long row of large windows on the right side and a set of double doors on the left. A prominent overhanging roof with exposed steel beams spans the front. The words "WELCOME TO MERCED YOSEMITE REGIONAL AIRPORT" are written in white capital letters on the building's facade. The foreground is a large, light-colored paved area with a grid pattern. The sky is a clear, vibrant blue. A tall, thin light pole stands to the right of the building. The overall scene is bright and sunny.

WELCOME TO MERCED YOSEMITE REGIONAL AIRPORT
