Location of Concern (map attachments and photographs are encouraged):

18th Street needs a stop sign at O Street due to the recurring accidents at this intersection. This should be a 4 way stop.

Describe Concerns At This Location:

There have been several accidents at this intersection, and there are near misses daily. Vehicles traveling on 18th Street do not abide by the 30 mile per hour speed limit. A stop sign would slow traffic on 18th Street and reduce the number of collisions at the intersection. Please see the attached photo of the intersection taken after an accident (Police vehicle still present).
