Location of Concern (map attachments and photographs are encouraged):

Buena Vista Drive between San Lorenzo and San Francisco Street across the street from the Fahren's Park parking lot.

Describe Concerns At This Location:

It was requested by one of my District 5 constituents (Lewis Buford) to add in a short-term parking curb in front of the mailbox units that are on Buena Vista across the street from the parking lot for Fahren's Park. He said the overflow from the parking lot ends up parking on Buena Vista and sometimes in front of the mailbox units, resulting in him having to park farther down the street to only collect his mail. I would suggest a 5 or 10 minute parking if this were to pass.
