Location of Concern (map attachments are accepted):

Columbia Avenue is currently a rate of speed of 30
mph. Residents have put caution cones and children at play
signs to warn drivers to slow down.

Describe Concerns At This Location:

With a family oriented neighborhood
and concerns of vehicles entering from B Street and
driving at 45 mph. The neighborhood is filled with
children that attend elementary and high schools in the
zone they are in. Children play outside and ride bikes.
So as a concerned parent and resident of the neighborhood
I would like to see the rate of speed reduced from 30
mph to 25 mph. For the safety of the children.
