RE- ADOPT A VALUES STATEMENT, AND
UPDATE THE ETHICS AND CODE OF CONDUCT
FOR CITY MEETINGS, AND ADOPTING RULES
OF ORDER AND PROCEDURE FOR THE
CONDUCT OF CITY MEETINGS

**THE CITY COUNCIL OF THE CITY OF MERCED DOES HEREBY
RESOLVE, DETERMINE, FIND, AND ORDER AS FOLLOWS:**

SECTION 1. RESCISSION OF RESOLUTION. Resolution No. 20~~2418~~-~~6578~~ is hereby repealed.

SECTION 2. RE-ADOPTION. The City Council hereby adopts the following Values Statement and Updates to the Ethics and Code of Conduct, and Rules of Order and Procedure for the Conduct of City Meetings.

VALUES STATEMENT

SECTION 3. VALUES STATEMENT. The City Council of the City of Merced values the creation of an atmosphere at City meetings that encourages and fosters public input and involvement in the decision making process. The City Council believes that diversity in the community is a positive attribute that is reflected in those elected and appointed to represent the citizens of Merced.

It is the City Council's goal to be tolerant of different opinions, to show respect and concern on all issues, to demonstrate leadership by its actions, and to pledge support or disagreement without being disagreeable in our best effort to keep Merced a city where good things happen.

It is the objective of the City Council to establish the uniform procedures prescribed herein for the conduct of public hearings to ensure that all persons appearing before the City Council, Boards, Committees, and Commissions are treated fairly and equally.

All other Boards, Committees, and Commissions of the City shall strive to comply with this Values Statement.

ETHICS/CODE OF CONDUCT

SECTION 4. PURPOSE.

While it is understood that the State of California has numerous sets of laws that guide the ethical behavior of public officials and employees, the City of Merced wishes to establish that this is a community whose ethical values are clearly stated and fully understood not only by its elected officials and appointed leaders, but this Ethics Code is recognized and acknowledged by its employees and its citizen representatives to represent the values this community holds in highest regard.

SECTION 5. ETHICS.

The citizens and businesses of Merced are entitled to have fair, ethical and accountable local government. To this end, the public should have full confidence that their elected and appointed officials:

- Comply with both the letter and spirit of the laws and policies affecting the operations of government;
- Are independent, impartial and fair in their judgment and actions;
- Use their public office for the public good, not for personal gain; and
- Conduct public deliberations and processes openly, unless required by law to be confidential, in an atmosphere of respect and civility.

Therefore, members of the City Council, and of all Boards, Committees and Commissions ("members") shall conduct themselves in accordance with the following ethical standards:

1. **Act in the Public Interest.** Recognizing that stewardship of the public interest must be their primary concern, members will work for the common good of the people of Merced and not for any private or personal interest, and they will [assure](#) fair and equal treatment of all persons, claims and transactions coming before them.

2. **Comply with both the spirit and the letter of the Law and City Policy.** Members shall comply with the laws of the nation, the State of California and the City of Merced in the performance of their public duties.

3. **Conduct of Members.** The professional and personal conduct of members while exercising their office must be above reproach and avoid even the appearance of impropriety. Members shall refrain from bias, abusive conduct, personal charges or verbal attacks upon the character or motives of other members of the Council, Boards, Committees and Commissions, the staff or public.

4. **Request for Process.** Members shall perform their duties in accordance with the processes and rules of order established by the City Council.

5. **Conduct at Public Meetings.** Members shall prepare themselves for public meeting; listen courteously and attentively to all staff reports and public discussions before the body; and focus on the business at hand.

6. **Decisions Based on Merit.** Members shall base their decisions on the merits and substance of the matter at hand, rather than on unrelated considerations. When making adjudicative decisions (those decisions where the member is called upon to determine and apply facts peculiar to an individual case), members shall maintain an open mind until the conclusion of the hearing on the matter and shall base their decisions on the facts presented at the hearing and the law.

7. **Communication.** For adjudicative matters pending before the body, members shall publicly disclose on the record of the public hearing substantive information that is relevant to a matter under consideration by the body which they may have received from sources outside of the public decision-making process.

8. **Conflict of Interest.** In order to assure their independence and impartiality on behalf of the common good and compliance with conflict of interest laws, members shall use their best efforts to refrain from creating an appearance of impropriety in their actions and decisions. Members shall not make, participating in making, or use their official positions to influence governmental decisions in which they have (a) a material financial interest as defined by applicable law, (b) an organizational role or personal relationship which could give the appearance of a conflict of interest, (c) an unacceptable probability of actual bias for or against an applicant or issue, or (d) a conflict of interest based on their acceptance of a campaign contribution in excess of \$250 in the twelve months prior to a City proceeding from a party or participant with a financial interest in the proceeding, or their agent, as provided in Government Code Section 84308.

A member who has a potential conflict of interest regarding a particular decision shall disclose the matter to the City Attorney as soon as practical after

[https://cityofinced-my.sharepoint.com/personaVlevesquej_cityofinced_org/Documents/Desktop/Resolution 2024-65.docx](https://cityofinced-my.sharepoint.com/personaVlevesquej_cityofinced_org/Documents/Desktop/Resolution%2024-65.docx)

becoming aware of the issue, in advance if possible and reasonably cooperate with the City Attorney to analyze the potential conflict. If advised by the City Attorney to seek advice from the Fair Political Practices Commission (FPPC) or other appropriate state agency, a member shall not participate in a decision unless and until he or she has requested and received advice allowing the member to participate. A member shall diligently pursue obtaining such advice. The member shall provide the City Attorney a copy of any written request or advice and conform his or her participation to the advice given. In providing assistance to members, the City Attorney represents the City and not individual members.

In accordance with the law, members shall disclose investments, interests in real property, sources of income, and gifts; and if they have a conflict of interest regarding a particular decision, shall not, once the conflict is ascertained, make, participate in making, or use their official position to influence the decision, and shall not discuss or comment on the matter in any way to any person including other members unless otherwise permitted by law. Members who have conflicts of interest in items before their body shall declare the conflict on the record, recuse themselves from making, participating in making, or using their official position to influence the decision, and leave the dais during the proceeding, unless the item appears on a consent calendar in which case the member need not leave the dais.

9. **Gifts and Favors.** Members shall not take any special advantage of services or opportunities for personal gain, by virtue of their public office that is not available to the public in general. They shall refrain from accepting any gifts, favors or promises of future benefits which might compromise their independence of judgment or action or give the appearance of being compromised.

A. The applicable gift limit set forth in the Political Reform Act is reduced to fifty dollars (\$50) per calendar year from a restricted source. The gift limit is effective January 1, 2019.

1. For members, a "restricted source" is the following:

- a. A person who has entered into, performs under, or seeks a contract with the City.
- b. A person who, during the prior 12 months, attempted to influence the member in any City action that would have a material financial effect on the person. This does not include an individual who attempted to influence action

regarding that individual's own compensation, benefits, or retirement as a City employee.

- c. A person who is or in the prior 12 months was a party to a proceeding involving a license, permit, or other entitlement for use that was pending before an elected City officer, the City Council, or a Board, Commissions, Committee, or other similar body of which the intended recipient is a voting member.

- B. Effective January 1, 2020, a member shall declare the receipt of a gift from a restricted source and recuse himself/herself from a proceeding affecting a restricted source if he has received a gift that exceeds the applicable gift limit set forth in paragraph 9.A.

10. **Confidential Information.** Members must maintain the confidentiality of all written materials and verbal information provided to members which is confidential or privileged. Members shall neither disclose confidential information without proper legal authorization, nor use such information to advance their personal, financial or other private interests. The attorney/client privilege is held by the City and may only be waived by a majority vote of the City Council. Members who violate this confidentiality provision may be subject to censure or prosecution under applicable law.

11. **Use of Public Resources.** Members shall not use public resources which are not available to the public in general (e.g., City staff time, equipment, supplies or facilities) for private gain or for personal or political purposes not otherwise authorized by law.

12. **Representation of Private Interests.** In keeping with their role as stewards of the public interest, members of the Council shall not appear on behalf of the private interests of third parties before their own bodies, or before the City Council for compensation, on behalf of the private interests of third parties on matters related to the areas of service of their bodies.

13. **Advocacy.** Members shall represent the official policies or positions of the City Council, Board, Committee or Commission to the best of their ability when designated as delegates for this purpose. When presenting their individual opinions and positions, members shall explicitly state they do not represent their body or the City of Merced, nor will they allow the inference that they do.

Councilmembers and Board, Committee and Commission members have the right to endorse candidates for all Council seats or other elected offices. It is inappropriate to mention or display political endorsements during Council meetings, or Board, Committee and Commission meetings, or other official City events.

14.—Policy Role of Members. Members shall respect and adhere to the council-manager structure of Merced City government as outlined in the Merced Municipal Code. In this structure, the City Council determines the policies of the City with the advice, information and analysis provided by City staff, Boards, Committees and Commissions, and the public. Except as provided by the Municipal Code, members shall not interfere with the administrative functions of the City or the professional duties of City staff; nor shall they impair the ability of staff to implement Council policy decisions. Members shall not give direction to staff, and shall convey any suggestions or requests through the City Manager.

15.—Independence of Boards, Committees and Commissions. Because of the value of the independent advice of Boards, Committees and Commissions to the public decision-making process, members of the Council shall refrain from using their position to unduly influence the deliberations or outcomes of Board, Committee and Commission proceedings.

16.—Positive Work Place Environment. Members shall support the maintenance of a positive and constructive work place environment for City employees and for citizens and businesses dealing with the City. Members shall recognize their special role in dealings with City employees, and shall in no way create the perception of inappropriate direction to staff. Members shall convey any suggestions or requests for staff work through the City Manager.

SECTION 6. COMPLAINTS AGAINST COUNCILMEMBERS.

1. A complaint naming a Councilmember regarding a violation of these Protocols or other City policies may be filed with the Mayor, the City Manager, the City Attorney, or Human Resources. If a complaint was not filed directly with the City Attorney, it will be promptly forwarded to them. Within thirty days of receipt of the complaint, the City Attorney will bring the complaint to Council (except for the named Councilmember). The named Councilmember will have the opportunity to respond to the complaint orally or in writing as part of the Council's review of the complaint. After reviewing the complaint and considering the response of the named Councilmember, if any, if the Council determines a policy violation occurred, it may direct the Mayor to make an Admonishment (as defined in Section XX. below). Or, when deemed warranted, the Council may direct the City Attorney to initiate an investigation by a neutral investigator that is authorized under the law to conduct investigations. The City Attorney will review the findings of the investigation and,

within thirty days of receipt of the investigator's final findings, review them with Council (except for the named Councilmember). Unless otherwise relevant and allowed under open meeting laws, Council's discussion will generally be limited to the complaint, the investigation (if any), and whether any policy violations have occurred. Potential Council Actions If, after reviewing a complaint or findings of an investigation, the Council determines that a policy violation occurred, it may undertake one or more of the following actions:

A. Admonishment: This is the least severe form of action. An admonishment is a reminder directed to all Councilmembers that a particular type of behavior is in violation of City policy and that, if it occurs or is found to have occurred, could make a Councilmember subject to a higher level of action. An admonition may be issued by the Council prior to any investigation into a complaint, and, because it is a warning or reminder, does not require a separate hearing to determine whether the complaint is true.

B. Warning to Named Councilmember: This is the next most severe form of action. This warning to a particular Councilmember should be used for cases in which the Council determines, based on review of the findings of an investigation, a policy violation occurred, but the violation is considered not sufficiently serious to warrant censure. The matter will be properly agendaized, and the Council will make a motion and vote during a public meeting whether to issue the warning. The named Councilmember(s) will be provided appropriate notice and, prior to the vote on the motion, an opportunity to provide a written or verbal response to the complaint(s). A warning to the named Councilmember is distinguished from censure in that it is not a punishment.

C. Censure: Censure is the most severe form of action. Censure is a formal statement of the Council officially reprimanding one of its members and may be combined with other actions, including but not limited to, loss of committee assignments, suspension of City-sponsored attendance at conferences, meetings, workshops, seminars and similar gatherings, or removal of other privileges deemed appropriate by Council. Censure should be used for cases in which the Council determines, based on review of the findings of an investigation, the policy violation is a serious offense.

A decision to censure requires Council to adopt a Resolution and make findings regarding policy violations at a public meeting. Prior to the adoption of the Resolution, the named Councilmember will be provided sufficient notice and the opportunity to provide a written or verbal response to the complaint. After the named Councilmember provides a written or verbal response to the complaint, if any, the majority of the Council may vote not to adopt the Resolution but may decide to issue a lower action against the named Councilmember.

To protect the overriding principle of freedom of speech, the Council will not impose censure on any of its members for the exercise of their First Amendment rights, no matter how distasteful the expression was to the Council and the City. However, nothing herein may be construed to prohibit the Council from collectively

Formatted: Indent: Left: 0.5"

condemning and expressing their strong disapproval of such remarks.

2. Due Process

In all instances, the Council shall ensure that all due process requirements are met. The City Attorney may recommend variations to procedures to ensure due process.

3. De-escalation/Informal Resolution

In addition to the actions above, the Council is encouraged to take steps to de-escalate the behavior that could lead to a complaint before a complaint is filed and consider addressing the complaint informally, if appropriate, in an effort to bring the named Councilmember into compliance with this Code.

4. Violations of Law Any violations of applicable laws as referred to in these Protocols, which include, but are not limited to, violations of the United States and California Constitutions, United States and California codes, regulations, interpretive administrative findings and relevant case law, may be reported to the appropriate governing agencies,
