Regardless of whether the structure was constructed prior to 1978, the tenants or purchasers must be notified of the hazards of lead-based paint poisoning; and, depending on the level of Federal assistance made available to the structure, paint inspection, risk assessment, treatment, and/or abatement must be provided. Subrecipient shall sign and date an affidavit to be retained with official records asserting they complied with this requirement.

Additionally, immediately after abatement of any lead-based paint found during the initial testing, the property shall be tested again, and documentation shall be submitted to Grantee within a reasonable timeframe showing clearance and compliance with this requirement.

The Grantee shall be exempt from payment of all Unemployment Compensation, FICA, retirement¹, life and/or medical insurance², and Workers' Compensation Insurance, as the Subrecipient is an independent contractor.

C. Indemnity/Hold Harmless

Except as to the sole negligence or willful misconduct of the City, the Subrecipient shall agree to indemnify, protect, defend (with counsel selected by the City), save, and hold the City, its officers, employees, agents, and volunteers harmless from any and all claims, suits, charges, judgements, actions, damages, or whatsoever that arise out of the Subrecipient's performance or

nonperformance of the services or subject matter called for in this Agreement. Any insurance policy or coverage provided by Subrecipient or subcontractors as required by this Agreement shall be deemed inadequate and a material breach of this Agreement, unless such policy or coverage is issued by insurance companies authorized to transact insurance business in the State of California with a policy holder's rating of A or higher and a Financial Class of VII or higher.

1. Limitations. These minimum amounts of coverage shall not constitute any limitation or cap on Subrecipient's indemnification obligations.

2. Cancellation. The policies shall not be canceled unless thirty (30) days prior written notification of intended cancellation has been given to the City by certified or registered mail, postage prepaid.
3. Adequacy. City, its officers, employees, and agents make no representation that the types or limits of insurance specified to be carried by Subrecipient pursuant to this Agreement are adequate to protect Subrecipient. 4. Workers' Compensation Insurance. By executing this Agreement, Subrecipient represents that Subrecipient is aware of and will comply with Section 3700 of the California Labor Code requiring every employer to be insured against liability for workers' compensation, or to undertake self-insurance before commencing any of the work. Subrecipient shall carry the insurance or provide for self-insurance required by California law to protect said Subrecipient from claims under the Workers' Compensation Act for all of its employees involved in the performance of this Agreement. Prior to the City's execution of this Agreement, Subrecipient shall file with City either (1) a certificate of insurance showing that such insurance is in effect, or that Subrecipient is self-insured for such coverage, or (2) a certified statement that Subrecipient has no employees, and acknowledging that if Subrecipient does employ any person, the necessary certificate of insurance will immediately be filed with the City. Any certificate filed with the City shall provide that the City will be given at least ten (10) days prior written notice before modification or cancellation thereof. The policy shall be endorsed to waive the insurer's subrogation rights against the City.
5. Commercial General Liability. Prior to the City's execution of this Agreement, Subrecipient shall obtain, and shall thereafter maintain during the term of this Agreement, commercial general liability insurance as required to insure Subrecipient against damages for personal injury, including accidental death, as well as from claims for property damage, which may arise from or which may concern operations by anyone directly or indirectly employed by, connected with, or acting for or on behalf of Subrecipient.

The Grantee or Subrecipient may amend this Agreement at any time provided that such amendments make specific reference to this Agreement, and are executed in writing, signed by a duly authorized representative of each organization, and approved by the Grantee's governing body. Such amendments shall not invalidate this Agreement, nor relieve or release the Grantee or Subrecipient from its obligations under this Agreement.

The Grantee may, in its discretion, amend this Agreement to conform with Federal, state or local governmental guidelines, policies and available funding amounts, or for other reasons. If such amendments result in a change in the funding, the scope of services, or schedule of the activities to be undertaken as part of this Agreement, such modifications will be incorporated only by written amendment signed by both Grantee and Subrecipient.

EXHIBIT A
 Scope of Services / Implementation Plan / Project Narrative
 Merced Rescue Mission, Inc.
 Rehabilitation and Acquisition “Hope for Families” Program
 FY 2021-2022

Services and Activities Provided

- Assist homeless families with children with a permanent supportive housing unit(s)
- Purchase a new or existing single-family home or duplex/triplex for the program
- Rehabilitate/repair any safety deficiencies in the home before renting

Project Narrative:

Merced Rescue Mission will purchase a home to provide Permanent Supportive Housing for a family experiencing homelessness who have young children. There is a shortage of housing available for homeless individuals and families in Merced. For families with young children, there are very limited opportunities to find housing. When a parent is trying to find housing, take care of children, as well as trying to find a job, life becomes overwhelming. Providing housing for a family makes it possible to work towards economic sustainability.

The Project will provide a home for one family at a time. The 2021 project is an expansion of the current program, where presently we operate three such houses for families. This project would expand the program to a fourth house for families. Merced Rescue Mission will work with the CES committee of the CoC in order to identify a family to place in the home. We will continue to work in collaboration with the CoC and City and County agencies to coordinate the best services to help the family succeed.

The projected outcome is to help the family permanently leave homelessness.

About the Merced Rescue Mission

MRM has been providing services to homeless individuals since 1991. About six years ago, it became apparent that homeless families were finding it very difficult to find housing in Merced. Working in conjunction with HSA, MRM has worked to help families with young children find a safe place to live while moving towards self-sufficiency. At the present time, through CDBG grants, the MRM has been able to help three families at a time with housing. In addition, during the last five years, the MRM has increased the number of shelter beds in its programs from 30 to over 250. A Navigation Center which opened March 29, 2021, added 75 beds. The MRM has also added programs such as Respite Care for homeless individuals being discharged from the hospital and mini-navigation centers located throughout the City of Merced.

Implementation Plan:
