## Read the following information before signing below

The payment of a license tax required by the provisions of the Merced Municipal Code and its acceptance by the City, and the issuance of such license to any person shall not entitle the holder thereof to carry on any business unless he has complied with all the requirements of the Merced Municipal Code, California Fire Code, California Building Code, and all other applicable laws, nor to carry on any business in any building or on any premises designated on such license in the event that such building or premises are situated in a zone or locality in which the conduct of such business is in violation of any law.

This business license does not grant authorization to occupy any space, building, premises or property that requires modifications or additional approvals or permits. Any modifications or change of occupancy category to the building or space may require building permits. All new uses occupying space through lease, rent or ownership, whether a lot, tenant space, or portion of a property, must comply with local zoning laws. It is the responsibility of the business license applicant to obtain all necessary permits and approvals from the building department, fire department and planning department prior to occupying the space. For the reasons stated above, it is highly advisable that applicants for a business license contact the Building Department and Planning Department as early in the process of obtaining a business license as is possible. By ensuring permits and approvals are obtained in advance of occupancy, unforeseen construction and permit fees may be avoided.

Additionally, the Merced County Environmental Health Department has requirements for certain business operations such as any Food Facilities, Hazardous Materials/Waste (including medical), Care Facilities, Labor Services (handyman/contractors/janitorial/yard service, and many others). Please contact them at (209) 381-1100, or visit their offices at 260 E. 15<sup>th</sup> Street.

By signature below, I certify that I will operate my business in accordance with all applicable Federal, State, and City laws and regulations, including the requirements of the California Fire and Building Codes. I also certify that I am aware that it is my responsibility to obtain any necessary permits and/or approvals prior to occupying a business location, and that violations must be corrected.
