The Services provided pursuant to the terms of the Contract for Consultant Services are the following:

- **Conduct Detailed Orientation:** TPA utilizes a comprehensive onboarding process that includes extensive meetings with various relevant members of City leadership and key City departments to help develop a strategic plan that is carefully tailored to satisfy the needs of the City, as well as designed for maximum success in the current political climate and funding environment.
- **Develop Legislative Strategy:** Utilizing the information gathered during the onboarding process, TPA will coordinate with the City to develop an official legislative platform and strategy that represents the City's priorities in Washington, DC and Sacramento. This blueprint will be shared with key stakeholders in Congress and the Trump Administration as well as the State Legislature and Governor's Administration.
- **Implement the Legislative Strategy:** TPA will advocate for the City's legislative agenda utilizing the following methods:
 - **Build and Strengthen Relevant Relationships:** TPA has cultivated a network of valuable relationships that will be leveraged to promote the City's legislative agenda.
 - **Leverage Relationships for Strategic Advocacy Plan:** TPA will engage various techniques to leverage our network of key relationships on behalf of the City:
 - Schedule meetings for the City to discuss relevant legislation
 - Prepare all briefing materials and talking points for the City
 - Brief legislative offices and stakeholders on the City's legislative agenda
 - Follow-up on meetings to ensure commitments and deliverables are being met
 - **Coordinate Advocacy Trips:** TPA will work with the City to coordinate advocacy trips to Washington, DC and Sacramento to meet with the City's legislative delegation, as well as legislators that serve on committees relevant to the City's agenda. Furthermore, whenever possible, TPA will also schedule site visits by legislators to the City.
 - **Identify, Analyze, and Monitor Legislation:** TPA will search and review all bill introductions and amendments relevant to the City's legislative platform to assess their potential effect.
 - **Craft Testimony and Position Letters:** TPA will prepare and submit written and verbal testimony regarding legislation relevant to the City. TPA will also draft and deliver position letters to legislators and key officials on specific bill language.
- **Draft Bill Language:** TPA will draft language and amendments for relevant legislation, as required to protect and promote the City's agenda.
- **Provide Progress Reports:** TPA will confer regularly with the City on our activities. TPA will provide timely electronic reports on the status of all legislative activity, such as bill language, amendments, and committee analyses. In addition to written reports, TPA will be available to

- the City for conference calls, in-person briefings, and meetings.
- **Prepare and File Lobbying Disclosure Reports:** TPA will prepare and file, on behalf of the City, all applicable federal and state lobbying disclosure reports.
 - **Craft Strategic Funding Plan:** Utilizing the information gathered during the onboarding process, TPA will coordinate with the City to develop a proactive and comprehensive strategic funding plan that serves the needs of the City's priorities. ***The plan will do more than simply identify City projects***; it will outline and prioritize multiple funding options for each project, and develop a specific plan of work tailored for each project. It will also identify key "strings attached" to help assess the cost/benefit ratio for each grant opportunity.
 - **Identify, Research, and Monitor Grant Funding Opportunities:** TPA will utilize list-serve subscription programs, funding workshops, agency canvassing, and other networking tactics to ensure every potential opportunity is identified and reviewed for relevance with the City's projects. TPA will then share these opportunities with the City for further assessment and determination if a grant application is warranted. The City will also receive a grant matrix of funding programs that is updated regularly as new opportunities arise.
 - **Establishment of Clear Accountabilities:** TPA will coordinate with the City to ensure the assignment of responsibilities and tasks are made clear so that confusion and inefficiency are avoided and the City is burdened as little as possible while TPA pursues a grant opportunity.
 - **Grant Application Development and Submittal:** TPA will develop, draft, submit, and follow up on each City grant application. TPA will also leverage relationships with relevant officials and program officers in various federal and state funding agencies to ensure that City grant applications are aligned with the goals of the specific grant program and that the applications are well-crafted and well-positioned for funding. TPA will also provide strategic assistance, such as letters of support from key stakeholders and other materials, to make the application as compelling and competitive as possible. TPA will ensure that applications are submitted prior to the deadline. TPA will also obtain a receipt for proof of submission.
 - **Post-Grant Submittal Advocacy:** TPA will frequently contact legislators and agency officials to follow up on the status of a grant application and promote its need and urgency. This will include drafting letters of support after grant submissions and distributing them to legislators for their consideration. In addition, TPA will work with legislators to reach out to individual granting agencies to provide background on City's projects and convey their support for those projects.
 - **Post-Award Grant Administration and Compliance:** TPA will also assist, as needed, with post-award administration and compliance for all grant applications submitted by TPA on behalf of the City. This assistance will include interacting with granting agencies on behalf of the City, providing support for the drafting and submission of required reports, evaluations, and other tasks related to the successful monitoring of and compliance with the program requirements.
 - **Comprehensive Follow-Up on Unsuccessful Applications:** Despite all best efforts, some grant applications are not selected for funding. In those instances where grant applications are unsuccessful, TPA will work with the relevant federal and state funding agencies to set up in-person or telephone debriefing sessions to discuss the grant applications and how to best revise the grant applications for the next funding round to ensure success.
