(d) There are no actions, suits, or proceedings pending or, to the best knowledge of Partnership, threatened against or affecting Partnership, the Property, or any part of it, or involving the validity or enforceability of the Trust Deed, the priority of the lien, or the validity or enforceability of any of the other Loan Documents, at law or in equity, or before or by any local, state or federal governmental agency. Partnership is not in default with respect to any order, writ, injunction, decree, or demand of any court or other local, state or federal governmental agency.

(e) The consummation of the transactions covered by this Loan Agreement and the payment and performance of all of the obligations in the Loan Documents will not result in any breach of, or constitute a default under, any mortgage, deed of trust, lease, contract, loan or credit agreement, corporate charter, bylaws, partnership agreement, trust agreement, or other instrument to which the Partnership or any of its general partners is a party or by which it or they or the Property may be bound or affected.

(f) There is no event of default or potential default on the part of Partnership under the Loan Documents or any other document relating to the financing of the Project.

(h) All proceeds of the CDBG Loan will be disbursed as provided in this Loan Agreement and used only for reimbursement of the costs of construction of the Project in accordance with the Plans and Specifications (as defined in the CLCA) and for other purposes specified in the CLCA and this Loan Agreement.

(i) The Plans and Specifications are satisfactory to Partnership and its general contractor and have been approved by the City and all other construction lenders. There are no structural defects in the Project as shown in the Plans and Specifications that are known to or reasonably should have been known to Partnership or its agents and employees, and to the best of Partnership's knowledge, no violation of any law, ordinance, order, rule, regulation, plan, ruling, determination or requirement of a local, state or federal governmental agency exists.

(j) All applications, financial statements, reports, documents, instruments, information, and forms of evidence delivered to City concerning the CDBG Loan or required by this Loan Agreement or any of the other Loan Documents are accurate, correct and sufficiently complete to give City true and accurate knowledge of their subject matter, and do not contain any untrue statement of a material fact or omit any material fact necessary to make them not misleading.

SECTION 1.03 Terms and Repayment of Loan. The parties agree that additional assistance in the Project is being provided by the City in the form of a CDBG Investment Partnership Program loan ("CDBG Loan"). The City shall provide a loan for the construction of four (4), 60% Area Median Income units. These units shall be located through-out the Project. Said CDBG Loan shall equal Three Hundred Seventy Thousand Five Hundred Ninety Dollars (\$370,590) and shall only be used for the design and replacement of on- and off-site infrastructure improvements. The annual percentage rate shall be at the rate of zero percent (0%) from the date of initial advance by the City until completion of construction of the Development, as evidenced by the issuance of the certificate of occupancy for the Development (the "Conversion Date"), and thereafter, shall bear simple interest at the rate of three percent (3%) per annum until repaid. Each monthly draw request of funds shall be made by the Partnership to the City. Said request shall include copies of paid invoices to substantiate each line item requested. The City shall provide funds for all expenses incurred each month, up to a cumulative total of Three Hundred Seventy Thousand Five Hundred Ninety Dollars (\$370,590,).

The CDBG Loan's term shall be forty (40) years following the Conversion Date, with payments deferred until the Net Cash Flow (as defined in the CLCA) of the Project shall provide for payments to begin. The annual principal and interest, if any, payments shall be made by the 1st of the sixth month following the conclusion of each fiscal year of the Project.

Partnership shall have the right to prepay the CDBG Loan at any time and from time to time, without penalty or premium, provided that any prepayment of principal must be accompanied by interest, if any, accrued but unpaid to the date of prepayment. Prepayments shall be applied first to accrued but unpaid interest, if any, and then to principal. Any such prepayment shall have no effect upon Partnership's obligations under the Regulatory Agreement which shall survive for the full term of the Regulatory Agreement.

Unless City agrees otherwise in writing, the entire unpaid principal balance and all interest and other sums accrued under the CDBG Note shall be due and payable upon the transfer of the Property absent the prior written consent of City of all or any part of or interest in the Property except as otherwise permitted pursuant to this Loan Agreement or the CLCA.

Notwithstanding any provision of this Loan Agreement or any document evidencing or securing this CDBG Loan, Partnership, and Partnership's principals, partners, members, agents, officers, and successors in interest shall not be personally liable for the payment of the CDBG Loan or any obligation of the CDBG Loan.
