Order Fulfilment

I. Quantities

- A. The quantity of items City estimates to purchase appears in the pricing sheet. Final quantities for each item may be more or less, depending on City's ability to secure public safety vehicles in the market. This sheet does not commit City to purchase neither all the items nor all the quantities shown in it at any given time.
- B. City may purchase additional quantities at the same bid prices for the duration of the resulting contract at the same price based on model availability and the exact same configuration as in Exhibit A-Specifications. Price will be updated for year 2.

II. Pricing

- A. Pricing Terms
 1. **Unit Price** to include everything such as (but not limited to) transportation, delivery, offloading, preparation, documentation, transfer charges, environmental and disposal fees. No other costs will be considered.
 2. **Discounts:** all applicable discounts must be factored into the unit price.
 3. **Fixed Unit Prices:** prices are fixed through the first year of the contract for all units in Exhibit A. Pricing for the second year will be provided to City for

Public Safety Vehicle Equipment Bid

review and approval at least 30 calendar days before contract renewal. Price Increases for the second year will be based on the U.S. Department of Labor, Bureau of Labor Statistics Producers Price Index (PPI). The base month for calculating potential PPI increases (3% maximum) will be the month the contract started.

4. **Government-Mandated Fees:** must be included in unit price.
5. **Sales Tax:** City will add the appropriate sales tax to each order and pay directly to the California Franchise Tax Board, only when necessary (i.e. vendor is from outside the state and is not required to collect taxes).

B. Disallowed Costs

1. **Business Permits, Licenses and Fees:** obtain, at Contractor's sole expense, all permits and licenses required in connection with providing the required units and in Contractor's name.
2. **Additional charges** not allowed: no fuel surcharges, no mileage rates, no minimum order quantities, etc.

C. Bid Results Price Sheet

1. The awarded bidder's Price Sheet, as accepted by City, will be incorporated as part of the resulting contract.
2. The City reserves the right to reject any and or all bids, split the bid award, award or to accept the bid that best serves the public purpose, even though it may not be the lowest.

III. Delivery

1. Delivery of equipment will be made F.O.B. Merced Fleet, 1776 Grogan Ave, Merced 95341 within **90 days** After Receipt of Order (A.R.O.) unless City is given written notice and accepts of extended period required for delivery.

3. Awarded bidder(s), by submitting a bid, agree to warrant bid pricing for at least 90 days after bid opening date.
4. The Q&A follows next.

Q/A Are electronic bid submissions accepted/**No. Bid response submissions are only accepted in sealed paper envelopes.**

CITY OF MERCED

MERCED

- Q/A** How can City help bidders manage freight costs?/City will endeavor to place a single, full order for all items in each parts table. Bidders will submit freight costs as of the date of their bid submission with documents showing legitimate costs. Should freight costs increase after bid award, awarded bidder will provide documentation as to justify the extra charge. Likewise, bidder will provide a credit to City should freight costs actually decrease from original submission.
- Q/A** Will City still buy all parts shown in bid tables even if the number of vehicles available changes?/City already has the eight units for these parts on order (minus the parts in point 1 of addendum 1).
- Q/A** How can bidders account for consumable materials that are ancillary to installation of items for tables 1a and 2a (PARTS & INSTALLATION)?/Bidders can submit a separate estimate with their bid submission. Any deviations after the bid opening will have to be approved by City's fleet management.
