H1.1.a - Evaluate for Multi-Family Housing Development	<p>The City will complete evaluation of vacant and underutilized parcels throughout the City to determine suitability and feasibility for potential multi-family development, considering at least, but not limited to, location, size, circulation, and available infrastructure. Staff will monitor and evaluate whether the higher density sites are providing realistic development opportunities for low-income households through the general plan annual review process (Government Code 65400). In addition, staff will work to educate the public and decision-makers about affordable housing, especially multi-family developments, to help alleviate "NIMBYism" when developments are proposed and to ensure decisions regarding developments are made based on adopted plans and policies. The City will encourage developments devoted exclusively to Senior housing.</p>	Ongoing	<p>The City maintains a listing of vacant site for residential development. The City strives to update the list on an annual basis. Tabel 9.4. of the Housing Element demonstrates that the City has sufficient land designated for multi-family development to meet the RHNA requirement for Extremely Low, Very Low, and Low income households. The City recently reviewed this table and concluded that there is still sufficient land zoned for multi-family development to meet the City's RHNA allocation for extremely low, very low, and low income households. However, if any of the site are developed at market rate, the City would need to look to zone additional land for multi-family development in the near future to ensure the City could meet its RHNA allocation. The City advises developers of multi-family projects to home neighborhood meetings to help educate the neighborhood on their project. The City participates in these meetings by answering questions and helping to provide education about multi-family projects. In 2020, the City didn't have any multi-family developments adjacent to existing residential that needed to have neighborhood meetings. The Planning Department provides information at the front counter and on out website to educate the public about NIMBYism. The City also provides a Tentative Subdivision Activity List and Development Activity List on the Planning Department website. Additionally, the City has streamlined the approval process for many projects requiring a discretionary review. Rather than requiring a Conditional Use Permit before the Planning Commission, a Site Plan Review Permit, a staff level approval, is required.</p>

<p>H1.1.b - Promote the use of Residential Planned Development Zoning</p>	<p>Expedite processing of Residential Planned Development (RPD) permits to encourage innovative site planning, multi-level developments, clustered housing design and planned open space. Evaluate the use of incentives, such as allowing higher densities, or other incentives determined to be appropriate, to developers providing child care centers within their development. Provide more education to the public and decision-makers regarding the benefits of small lot developments.</p>	<p>Ongoing</p>	<p>The City's building permit review process has been streamlined to allow for master plan reviews. This allows the developer to submit specific house plans or in the case of multi-family development, specific building plans for review, then pull subsequent building permits with only a site plan and any other required documents for an expedited review. This process is used within all zones in the City. The City encourages higher density developments and the inclusion of child care centers within multi-family developments, but has not yet developed an incentive program for such. The City is receptive to small lot developments and has included a section in the Zoning Ordinance (updated in 2016) to address small lot single-family homes.</p>

1	2	3	4
Name of Program	Objective	Timeframe in H.E	Status of Program Implementation
H1.1.c - Encourage Mixed Use Development	Expand the use of mixed-use residential/office/retail developments in the City's core downtown and other appropriate commercial centers to support both affordable housing and economic development goals through priority permit processing. Proposed amendments to the City's Zoning Ordinance would allow residential uses as a principally permitted use in Central Commercial (C-C) zone which encompasses most of the downtown area and would be consistent with the City's Downtown Strategy. The City will promote development consistent with the "Downtown Strategy." In addition, proposed changes in the Zoning Ordinance update would reduce the parking requirements for residential developments near approved transit stops. The use of other incentives will be reviewed.	Adoption of Zoning Ordinance update in 2016 / Development consistent with the "Downtown Strategy" - ongoing	In 2016, the City adopted a comprehensive update to the City's Zoning Ordinance. This update included allowing multi-family development as a permitted use in the Central Commercial Zone (most of the downtown area). The update also included parking reductions for mixed-use developments and developments near transit stops. The City continues to promote development in the downtown area to include more housing and mixed-use developments. In 2020, the former Tioga Hotel, Tioga Apartments, opened it's doors as an apartment complex in the downtown area providing approximately 79 units.
H1.1.d - Review and Update the City's Zoning Ordinance to Assure Compliance with State Law	Review Zoning Ordinance at least annually to assure compliance with state law. Complete comprehensive Zoning Ordinance update.	Completion of Zoning Ordinance Update by 2016 and annually thereafter.	The City completed the comprehensive Zoning Ordinance Update and the new Zoning Ordinance became effective October 19, 2016. The City does an annual review to ensure compliance with state laws and would make any amendments necessary to implement any new laws. In 2019 the City updated the ADU Ordinance and made updates in 2020. The City is currently working on additional updates to be adopted in 2021. The City has also implemented a procedure for reviewing SB 35 applications.

<p>H1.1.e - Encourage Alternate Housing Types</p>	<p>Through priority permit processing, encourage the development of alternate housing designs that can be built on smaller footprints. The Planning Division will inform potential developers of the benefits/cost savings of alternate housing designs and smaller footprints fostering a larger return on investment (ROI) with more units per acre, thus providing more affordable housing. Priority processing saves developers time and money to help keep development affordable and is also important for them to meet State and Federal tax credit deadlines. The City's "Small Lot Design Guidelines" have been incorporated in the comprehensive Zoning Ordinance update and setback requirements have been increased providing more open space to encourage the public to be more accepting of the small lot design concept. Additionally, staff will encourage developments to build 2 and 3-story houses to provide more floor area on a smaller lot.</p>	<p>Priority Processing - ongoing / Adoption of Zoning Ordinance 2016</p>	<p>The updated Zoning Ordinance included a section on small lots to make the development of these lots easier for developers. This section provides development standards and guidelines for small lot developments. Small lot developments require Conditional Use Permit approval which can typically be obtained within 60 to 90 days, as opposed to a zone change process which could take up to 4 to 6 months. The City has also added a section to the Zoning Ordinance for Accessory Dwelling Units (ADU's) in compliance with state requirements. The City continues to update this ordinance in compliance with state law.</p>

<p>H1.1.f - Encourage the Use of the Density Bonus Provision to allow a 50% increase in the number of units allowed in medium and high density zones dedicated exclusively for Senior Housing, if at least 50% of the units are affordable to very low-income households.</p>	<p>Complete the adoption of the Draft Zoning Ordinance which includes a provision to allow a reduction in the number of parking spaces for “low demand” uses. Senior housing could be considered “low demand,” and be eligible for such a reduction.</p>	<p>Adoption of Zoning Ordinance update in 2016</p>	<p>The updated Zoning Ordinance brought the City's Density Bonus requirements into compliance with state law. The City continues to monitor changes to the Density Bonus law and make updates as needed. The updated Zoning Ordinance also has provisions for parking reductions when there is a low-demand use such as senior housing or when located near a transit stop.</p>
<p>H1.1.g - Work with UC Merced to Develop a Student Housing Plan</p>	<p>City staff will work with representatives of UC Merced to consider the development of a Student Housing Plan. The plan should address issues of student housing within residential neighborhoods. It should include programs to educate students on being good neighbors. It should also address the need to locate fraternity/sorority housing within Medium-High and High Density Zones until such time as they can be supported on campus.</p>	<p>December 2018</p>	<p>The City has not initiated talks with the UC specifically related to housing. However, there have been several private developers who have been working with the UC to help provide student housing. The City supports the efforts of developers to provide multi-family student housing developments. The City will work to make contact with the UC to discuss the issues related to student housing in residential neighborhoods.</p>

H1.1.h - Encourage the use of the City's Lot Split Process (Parcel Map) to subdivide large parcels into smaller parcels that would be more likely to be developed for affordable housing.	Encourage developers of affordable housing to consider subdividing large lots into smaller lots more suitable for affordable housing. This process is done through a staff-level approval with no public hearings before the City Council or Planning Commission. The process takes approximately 3 weeks.	Ongoing	The City's Lot Split process continues to be available to all property owners to create smaller parcels for development. Lot Split applications are reviewed by the Minor Subdivision Committee, a staff level committee, which helps to expedite the process.
H1.2.a - Review Design Standards, Update for Affordability	Deviations to improvement standards contained in the Subdivision Ordinance may currently be granted by the Planning Commission through the Tentative Subdivision Map process. To reduce the need for multiple case-by-case considerations, continue periodic review of infrastructure and road requirements. Identify potential revisions to reduce construction/improvement costs for new development without negative impact to quality or capacity.	Annually	The City's Engineering Department does an annual review of the City Standards. The City is currently working on a comprehensive update of all the City Standards. It is anticipated that the revised City Standards would be adopted in 2021.

H1.2.b - Continue City Housing Program	Provide incentives to encourage affordable housing development through the use of grant funds such as CDBG and HOME funds.	Ongoing	The City continues to receive CDBG and HOME funds to be used to help develop new affordable housing and maintain existing affordable housing units. The Housing Program works with Habitat for Humanity, Stanislaus County to perform rehabilitation projects on owner-occupied single-family homes and works with developers to provide new affordable housing projects (both single-family and multi-family). Currently, the City is working with the Central Valley Coalition for Affordable Housing to construct a new 68-unit affordable housing apartment complex (Gateway Terrace II). It was expected that this project would begin construction prior to the end of 2020. However, due to an issue with the Environmental Review for the project, the project has been delayed. Construction is expected to begin in mid-2021. The City also works with the Merced Rescue Mission, Habitat for Humanity, Merced, and Sierra Saving Grace to provide housing assistance. The City has used HOME & CDBG funds and a HUD 108 Loan to help fund 1 119-unit affordable apartment complex at Childs & B Street.
H1.2.c - Conduct studies to identify the needs of disadvantaged communities per Senate Bill 244	As annexations occur, conduct studies to determine the needs of disadvantaged communities within the City Sphere of Influence in proximity to the proposed annexation. Identify the areas lacking sewer and/or water availability and those areas in need of other revitalization efforts and other infrastructure upgrades (sidewalks, fire hydrants, etc.). Ensure that land annexed into the City for development can be supplied by the City's sewer and water facilities.	As funds are available and as annexations occur	The City is currently working on two active annexations, is conducting a study of the North Merced Annexation Area, and has had several inquiries about annexation. As part of the annexation process, the City will evaluate each area for disadvantaged communities. As part of the annexation process, an evaluation is conducted to ensure the City can supply adequate sewer and water to the annexation area.

Link this promotion with information on the availability of low-interest rehabilitation loans and other funding programs to support second unit development and provide technical support as necessary to interested homeowners. Provide information on second units and their benefits via the City's website, monthly newsletter, and brochures at the front counter.	Ongoing	The City provides information to customers when they inquire about building second units. The City's Zoning Ordinance which includes the regulations for second units is available on the City's website. The City adopted an updated ADU ordinance in 2019, and continues to update the ordinance to be in compliance with state law. The most recent update being in 2021.
H1.6.a - Apply for Funding to Support New Housing Construction	Continue to seek potential funding sources and actively pursue funding for affordable housing.	Ongoing	The City continues to actively seek different funding opportunities to help support the development of affordable housing. The City currently receives CDBG and HOME Funds, as well as Cal-Home First Time Home Buyer funds. The City received funds from the Affordable Housing Sustainable Communities (AHSC) program through HCD for the Childs & B Street project..
H1.6.b - Provide Assistance for Private and Nonprofit Applicants to State and Federal Programs	Assist private individuals and nonprofit organizations in applying for State and Federal funds at least once each year. Assistance may take the form of information referral, consultation regarding program applications, and/or lobbying by local officials on behalf of the applicant. Special focus will be given to applicants applying for funding to assist in the development of extremely-low income housing.	Annually	The City has assisted in assembling the funding for the Childs and B Street project. The City has also consulted other developers on possible funding opportunities and assists with completing form needed for developers to received Federal and State tax credits.

H1.7.b - Promote and Develop Housing to Meet Special Needs	Assist private and nonprofit developers, such as the Central Valley Coalition for Affordable Housing, by identifying potential sites and financial resources for the construction of housing to meet special needs. Such projects might include, but are not limited to: senior housing, including congregate care facilities; housing for people with physical and mental disabilities; transitional housing for the homeless; an emergency shelter for the homeless; and housing for large families, extremely low-income families, and farmworkers. The City will provide further assistance to the identified need of additional emergency shelter facilities by applying for Proposition 46 funding to provide for such facilities or by supporting other agency applications.	Annually	The Housing Program works with the City's Community Housing Development Organization (CHDO) to complete at least one project annually to provide housing to those with special needs. The City will continue to work with the CHDO and any other agencies in an effort to provide more affordable housing for extremely-low, very-low, low-income and special needs households. The City has been working to help develop the Childs & B Street Project in conjunction with a private developer and the Central Valley Coalition for Affordable Housing. This project would provide 119 units for affordable housing, including 30 permanent supportive housing units.
H1.7.c - Assist in Obtaining Funding for Farmworker Housing	The City shall apply for or support applications for funding for farm worker housing. The City shall periodically review available funding programs to identify additional funding sources for farmworker housing.	Annually	The City has not identified any funding specifically available for farmworkers. The City will continue to monitor funding opportunities and will apply when appropriate.

H1.7.d - Assess the need for Farmworker Housing	Work with farm owners and central labor providers to determine the number of farmworkers who may need housing. The resulting report should address: permanent workers, seasonal resident works, and migrant workers.	December 2019	The City has not met with farm owners and central labor providers to date. This is still a goal, but the City has focused its efforts on addressing the homeless issue within the City and providing additional housing through the development of the Childs & B Street project.
H1.7.e - Provide incentives for the development of farmworker housing	Provide fast-track permit processing: offer a reduction in the number of parking spaces required based on the number of vehicles used for transportation; Explore the use of modified site development standards, e.g. - street widths, paving, curbs/gutters, placement of public works improvements, or landscaping.	Ongoing	The City has not received any applications for farmworker housing to apply any of these processes.
H1.7.f - Consider amending the Zoning Ordinance to allow a reduction in parking requirements for persons with disabilities.	Complete the adoption of the Draft Zoning Ordinance which includes a section to allow the reduction in required parking spaces for uses considered to be "low demand." This could include parking requirements for developments for persons with disabilities.	December 2016	Completed with the adoption of the Zoning Ordinance Update in 2016.

H1.8.a - In-fill and Multi-family Lot Inventory	Develop an inventory of available infill and multi-family lots. The inventory will include location, parcel sizes, amenities, and available infrastructure. The City will keep said inventory current and information will be made available to developers.	Ongoing	This inventory is updated as needed and is made available to the public.
H1.8.b-Prioritize City efforts to encourage residential development by focusing on in-fill development and densification within the existing City Limits.	City staff will encourage development within the existing City Limits and especially within the City's Core Area. Staff will analyze vacant and underutilized land to identify constraints to in-fill development. Using the information found in the analysis, staff will develop an "In-fill Strategy." Staff will work with neighborhood and business groups, as well as with other interested organizations, to identify and address their concerns and preferences related to in-fill development. In addition, staff shall consider providing incentives such as reduced fees or priority permitting for in-fill developments, especially within the City's Core Area.	Ongoing	Staff continues to work with developers to develop in-fill sites. The City has approved entitlements for three apartment projects in 2020 totaling 668 units. Although the study described in this policy has not been completed, the City is making good progress with the implementation of this policy. The City provides a Tentative Subdivision Map Activity list and a Development Activity list on the Planning Department website to provide information on current developments and future subdivisions.

H1.8.c - Provide Ample Land Through Planned Annexations	The City will continue to monitor residential land availability and encourage and pursue annexations as necessary to maintain a 10-year supply of zoned vacant residential property.	Ongoing	The City is currently working on an annexation that would include 540 housing units. This project recently increased the number of units from 330 to 540. Additionally, the City is conducting an annexation feasibility study for approximately 3,000 acres of land that would provide a large area for future residential development. Also, AB 3312 was recently approved by the State Legislature that would allow the City to annex UC Merced. This annexation would pave the way for additional developments near the UC, including additional housing units.
H2.1.a - Continue the Housing Rehabilitation Loan Program	Continue to allocate monies from the City's Affordable Housing Program and expand the City's Housing Rehabilitation Grant Program.	Ongoing	The City continues to receive CDBG and HOME funds to be used to help develop new affordable housing and maintain existing affordable housing units. The Housing Program works with Habitat for Humanity, Stanislaus County to perform rehabilitation projects on owner-occupied single-family homes and works with developers to provide new affordable housing projects (both single-family and multi-family). <p>H3.1.b - Coordinate with Local Agencies to Provide Housing Assistance to Extremely Low, Very Low, and Low Income Households</p>	<p>Work with other agencies to assist in identifying and procuring funding for extremely-low, very-low, and low-income rental programs. Examples of other agencies include, but are not limited to, Housing Authority (Housing Choice/Section 8), Community Action and Salvation Army (displaced person's temporary assistance and limited financial grants), and Continuum of Care partners (transitional housing and homeless shelters).</p>	<p>Ongoing</p>	<p>The City continues to work with the Merced County Housing Authority, the Community Action Agency, the Salvation Army, and other Continuum of Care partners to provide funding for income-eligible households. Recently the City implemented a program in conjunction with the Merced Rescue Mission and Sierra Saving Grace to provide deposit assistance for income-eligible households to obtain permanent rental house.</p>
<p>H3.1.c - Minimize Governmental Constraints on Housing Development, Improvements, and Maintenance</p>	<p>Review governmental processes and regulations to identify any potential constraints to the development, improvement, or maintenance to housing.</p>	<p>2016, annually thereafter</p>	<p>The City continues to review our development processes and regulations to identify any potential constraints. The adoption of the new Zoning Ordinance in October 2016, eliminated some of the previous constraints by bringing the City's Zoning Ordinance into compliance with state requirements. The Housing Department completed an updated of the City's Analysis to Impediments to Housing in 2020. The City will review that document once complete to determine if there are any processes that need to be changed as a result of the analysis.</p>

<p>H4.1.a - Provide Ongoing Public Information on Affordable Housing Issues and Programs</p>	<p>Establish a community notification list including, but not limited to, Housing Authority, Chamber of Commerce, schools, grocery and drug stores, PSAs, Community Resource Counsel, civic and service organizations, and community centers. Distribute information flyers and give public presentations on affordable housing issues and programs in the City of Merced to such groups, in addition to City residents, developers, and local lenders, by placing program brochures, copies of City documents, and other pertinent information in the City libraries and at the Merced Civic Center. In addition, make this information available to community-based groups serving lower income residents, such as the Lao Family Community Center, and add information to the City website. Consider a program for builders' and developers' informational meetings to explain available programs and designations, as well as a program to educate first time homebuyers on the process of purchasing a home.</p>	<p>Ongoing</p>	<p>The Housing Department provides information on their website regarding available programs, current plans, and other information for tenants, landlords, and property owners. During Covid, outreach has been limited but as Covid restrictions are reduced additional outreach can be accomplished. All required public notices are also available on the Housing Department website. All notices required under the HUD Community Outreach Guidelines are provided in English, Spanish, and Hmong. The notices are published in two local newspapers as well as on the City's website.</p>
