Overview, Qualifications, Definitions

Overview of Requirements

The City of Merced **Police Department** is seeking to purchase **Camera Trailers** per Exhibit A – Specifications as listed in the Line Items.

Bidder Qualifications

Bidders must be an authorized dealer for the specified equipment capable of selling, delivering, and servicing the items as specified in Exhibit A.

Bidders must submit Exhibit A's **Specs Sheet** and Exhibit B's **Bid Pricing Sheet** with their Bids. Indicate the manufacturer, model, trim (if applicable), and model year of proposed equipment on separate sheets as part of your submission. Failure to provide these two items will eliminate the bidder from further consideration.

Definitions, Acronyms, and Abbreviations

Bid Documents = City documents, forms, exhibits, etc. attached to Bid.

Bidder = the prospective or actual bidder, but not awarded.

City = City of Merced

Contractor = the awarded bidder.

CR = City Representative.

Bid = bid submitted by bidders via mail.

RFB = Request for Bids: City-provided electronic documents/postings.

(CONTINUED ON NEXT PAGE)

Exhibit B: Pricing

Quantities

The quantities are firm fixed quantities for this bid.

City may purchase additional units at the same bid prices **for up to one year** at same price based on model availability and the exact same configuration as in Exhibit A-Specifications.

Pricing

Pricing Terms

Unit Price: includes everything, including but not limited to transportation, delivery, offloading; registering units with DMV; providing exempt status license plates; includes all preparation, documentation, and transfer charges; includes environmental and disposal fees; no other costs will be considered.

Discounts: all applicable discounts must be factored into the unit price.

Fixed Unit Prices: prices are fixed through the delivery period for all units.

Government-Mandated Taxes and Fees: must be included in unit prices.

CA Tire fee: is the per tire fee that the State of California assess, which is subject to change. This amount is included in the Bid as a fixed cost.

Sales Tax: City will add the appropriate sales tax to each order.

Disallowed Costs

Business Permits, Licenses and Fees: obtain, at Contractor's sole expense, all permits and licenses required in connection with providing the required units and in Contractor's name.

Additional charges: not allowed, no fuel surcharges, no mileage rates.

Bid Results Price Sheet

The award bidder's Bid Results Price Sheet, as accepted by the City, will be incorporated as part of Exhibit B.

Exhibit C: Bid Terms and Conditions

Specifications are intended to describe the specific type, size and quality of equipment which will best meet the demands of the City. They are not intended to favor any one brand or make. The mention herein of any particular name of equipment or material merely serves to specify the quality or general type required.

Machines or equipment must comply with current state and federal regulations.

All materials and auxiliary equipment shall conform to the size, quality, and quantity shown in the specifications. They shall be from new stock, delivered in good condition. No damaged items will be accepted.

City reserves the right to reject any or all bids and to waive informalities and minor irregularities.

The City reserves the right to determine which is the best bid considering price, quality, warranty and delivery within specified time limit, as well as any other criteria set forth in the bid.

Delivery time being of essence in the award of this purchase, all bids must specify delivery date on which the item(s) will be delivered. Supplier shall supply the goods and or perform the services, with the schedule and term, as specified herein. Time is of the essence. All items shall be delivered "free on board (F.O.B.) destination" to the location specified herein, full freight prepaid except for special or expedited orders, which shall be agreed upon prior to shipment.

Successful bidder shall furnish the City's purchasing supervisor with all technical information on items listed in the specifications of the bid.

Price bid shall be the maximum prices paid by the City of Merced. Price quoted shall include taxes. The City is exempt from all Federal Excise Taxes.

Price shall include license, registration, tire, and any other relevant fees. Bidder agrees to register all vehicles with the California Department of Motor Vehicles (DMV) prior to delivery.

All invoices and correspondence shall show the number of the contract or purchase order issued to the bidder awarded.

If Bidder submits a bid for alternate items, Bidder shall fill out additional bid sheets, fully explaining the differences and any perceived advantages of said items.

Bidder's security in the form of a bid bond, certified or cashier's check issued by a responsible bank or banker of the State of California in the amount of 10% of the total net amount of the bid, and payable to the City of Merced must be attached to the bid proposal *only when required in the bid specifications*. Bidders shall be entitled to return of bid security; however, a successful bidder shall forfeit his bid security upon refusal or failure to execute the contract within ten (10) calendar days after the notice of award of contract, unless the City is responsible for the delay. City Council, on refusal or failure of the successful bidder to execute the contract, may award it to the next lowest responsible bidder, the amount of the lowest bidder's security shall be applied to the contract price differential between the lowest bid and the second lowest bid. Surplus, if any, shall be returned to the lowest bidder.

Conflict of Interest: Bidder certifies that no City officer, employee or authorized representative has any financial interest in the business of the bidder and that no person associated with the bidder has any interest, direct or indirect, which could conflict with this bid. The bidder is familiar with the provisions of California Government Code section 87100, *et seq.*, and certifies that it does not know of any facts which would violate these laws. Bidder will promptly advise City if a conflict arises.

Exhibit A: Specifications

Specifications

General

SUBSTITUTIONS and **ALTERNATES** are **NOT** acceptable unless City has stated otherwise in the Specifications.

Do **NOT** include additional optional equipment or packages unless it is required by the manufacturer's standards to conform to our specifications.

Fill out the table below by circling the appropriate choice for each spec. Submit complete information for each alternate spec in a separate sheet.

Download the app to seamlessly LIVE VIEW. Establish line-crossing alarms, 2-way audio, sirens, strobes and more. Cameras are capable of 3rd party monitoring and viewing. Edge recording and cloud storage included.

Battery powered surveillance systems that utilize 100% renewable energy. Eliminate need for grid connection or engines. Ready for **rapid, remote deployment, and automated operation.**

Premium, **Made-in-the-USA** trailers and steel compartments paired with high-quality camera systems that are **NDAA Compliant.**

Knowledgeable team at your service to determine the right options for your company or project.

*The 1600W model has
4 x 400W panels.

THE DOMINIGHT STORY

In 2012, we realized the need for premium solar and solar-hybrid light towers and power platforms engineered for optimal performance, and available at a competitive price. Since then we have expanded our product line to include security systems and networking communication systems. The family-owned and -operated company continues to provide clients with reputable products and service.

YOUR BOTTOM LINE

Dominight products are off-grid solutions to lighting, security, networking, communication, and power needs. Save money with automated, renewable energy systems that reduce carbon footprint and emissions.
