If multiple documents or written reports are the subject of the Contract or subcontracts, the disclosure section may also contain a statement indicating that the total contract amount represents compensation for multiple documents or written reports.

- C. Contractor shall perform the Contractor's work as called for in the scope or work description in Exhibit B and in accordance with currently approved methods and standards of practice.
- D. Contractor will be responsible for the technical accuracy of its services and documents resulting therefrom, and City will not be responsible for discovering deficiencies therein. Contractor will correct any deficiencies in its work promptly upon discovery without any additional compensation.

Time is of the essence for the performance of this Contract.
- C. Either Party may terminate this Contract without cause on thirty (30) calendar days' written notice.

- D. City may terminate this Contract immediately upon written notice to Contractor if funding ceases or is materially decreased during the term of this Contract.
- E. Contractor shall, not later than ten (10) calendar days after termination of this Contract by City, furnish to City such financial information as in the judgment of the City's representative is necessary to determine the reasonable value of the services rendered by Contractor.
- G. In no event shall the termination of this Contract be construed as a waiver of any right to seek remedies in law, equity, or otherwise for a Party's failure to perform each obligation required by this Contract.

SECTION 4. MISCELLANEOUS TERMS AND CONDITIONS OF CONTRACT

- A. City shall make its facilities accessible to Contractor as required for Contractor's performance of its services under this Contract, and, upon request of Contractor at times convenient to City.

penalties and interest on such contributions, which would otherwise be the responsibility of City.

- F. No provision of this Contract is intended to, or shall be for the benefit of, or construed to create rights in, or grant remedies to, any person or entity not a party hereto, including any third-party beneficiary.
- G. No portion of the work or services to be performed under this Contract shall be assigned, transferred, conveyed, or subcontracted without the prior written approval of City. Contractor may use the services of independent contractors and subcontractors to perform a portion of its obligations under this Contract with the prior written approval of City. Independent contractors and subcontractors shall be provided with a copy of this Contract and Contractor shall have an affirmative duty to assure that said independent contractors and subcontractors comply with the same and agree to be bound by its terms. Contractor, at such times and in such form as City may require, shall furnish City with such periodic reports as it may request pertaining to the work or services undertaken pursuant to this Contract, the costs or obligations incurred or to be incurred in connection therewith, and any other matters covered by this Contract.
- I. Contractor shall maintain accounts and records, including personnel, property, and financial records, adequate to identify and account for all costs pertaining to this Contract and such other records as may be deemed necessary by City to assure proper accounting for all project funds. These records shall be made available for audit purposes to state and federal authorities, or any authorized representative of City.
