RQ#: 24-35

City of Merced Citizen Action Request Form: Traffic Committee

Contact Person: Ashley Marie Suarez	Day Phone:
Email Address:	
Address:	Today's Date: 4/22/24
Location of Concern (map attachments and photographs are encouraged): W Childs Ave and N St (by Alicia Reyes), R St and 13th St., Childs Ave and HWY 59/MLK, HWY	
59/MLK and 13th St.	Stand 15th St., Childs Ave and Tivv 1 39/MER, Tivv 1
Describe Concerns At This Location:	
People speed up at Yellow lights that quickly turn Red, some people do not stop behind the stop line at Red lights, and others simply run solid Red lights. The City of Merced is already investing money into installing Red Light Camera systems that send tickets to traffic violators after running red lights, however, most of the locations where they will be installed are in North Merced. We urge Traffic Committee to recommend that the City of Merced add Red Light Cameras to the locations of concerns since these intersections are heavy with traffic and located by schools, freeway on-ramps, and busy streets with blind spots. In the meantime, we urge the Traffic Committee to increase traffic enforcement presence at these intersections to prevent incidents due to wreckless or distracted driving.
