On Loughborough as you come out of driveway between the Merced Mall Car Wash and Action Computers & Via's Mexican Restaurant. The curb to the left is not red. A Van parks there on the street daily which obstructs the view of cars wishing to make a (L) turn onto Loughborough Westbound
Describe Concerns At This Location: Towards (R) "R" Street. I have almost been struck several times attempting to make a (L) Turn. Also the Loughborough Dr. is slightly curved and cars traveling Eastbound get going very fast as this is approx. 1/2 mile from R Street. Also there is a Fire Hydrant not far from this driveway which also should be a good reason to paint the curbing red. There are school buses & City Buses that use this street on their regular route. We need to make it safer by removing Obstructions to safe Travel.
