Applicable Laws - Vendor, in providing the services specified herein, shall comply with all applicable Federal, State and County statutes, patents, copyright laws, ordinances, regulations, directives, and laws. The resultant contract(s) shall be deemed to be executed within the State of California and construed with and governed by the laws of the State of California.

Termination:

A.County may terminate any resulting agreement without cause upon thirty (30) days written notice to the other party. Notice shall be deemed served on the date of mailing. If notice of termination for cause is given by County to contractor and it is later determined that contractor was not in default or the default was excusable, then the notice of termination shall be deemed to have been given without cause pursuant to this paragraph (A).

B.County may terminate any resulting agreement for cause immediately upon giving written notice to contractor, should contractor materially fail to perform any of the covenants contained in this agreement in the time and/or manner specified. In the event of such termination, County may proceed with the work in any manner deemed proper by County. If

notice of termination for cause is given by County to contractor and it is later determined that contractor was not in default or the default was excusable, then the notice of termination shall be deemed to have been given without cause pursuant to paragraph (a) above.

C.County may terminate or amend any resulting agreement immediately upon giving written notice to contractor, 1) if advised that funds are not available from external sources for this agreement or any portion thereof, including if distribution of such funds to the County is suspended or delayed; 2) if funds for the services and/or programs provided pursuant to this Agreement are not appropriated by the State; 3) if funds in County's yearly proposed and/or final budget are not appropriated by County for this agreement or any portion thereof; or 4) if funds that were previously appropriated for this agreement are reduced, eliminated, and/or re-allocated by County as a result of mid-year budget reductions.

D.If any resulting agreement is terminated under paragraph A or C above, contractor shall only be paid for any services completed and provided prior to notice of termination. In the event of termination under paragraph a or c above, contractor shall be paid an amount which bears the same ratio to the total compensation authorized by the agreement as the services actually performed bear to the total services of contractor covered by this agreement, less payments of compensation previously made. In no event, however, shall County pay contractor an amount which exceeds a pro rata portion of the agreement total based on the portion of the agreement term that has elapsed on the effective date of the termination.

Contractor shall not incur any expenses under any resulting agreement after notice of termination and shall cancel any outstanding expenses obligations to a third party that contractor can legally cancel.

Invoicing: Prepare invoices in duplicates and send to the ordering department or agency. Each invoice shall contain a minimum of the following information: invoice number and date; remittance address; "bill to" and "ship to" addresses; contract number; contract release number (CSO#), unit prices and extensions; sales tax; and an invoice total.

INSURANCE REQUIREMENTS FOR CONTRACTORS

Without limiting Contractor's indemnification, Contractor shall procure and maintain for the duration of the Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the Agreement by the Contractor, his agents, representatives or employees. County shall retain the right at any time to review the coverage, form, and amount of the insurance required hereby. If in the opinion of the County's Risk Management Office the insurance provisions in these requirements do not provide adequate protection for County and for members of the public, County may require Contractor to obtain insurance sufficient in coverage, form and amount to provide adequate protection. County's requirements shall be reasonable but shall be imposed to assure protection from and against the kind and extent of risks that exist at the time a change in insurance is required.

The County Risk Manager may approve self-insurance programs in lieu of required policies of insurance if, in the opinion of the Risk Manager, the interests of the County and the general public are adequately protected. The County reserves the right to require that Contractor provide complete, certified copies of any policy of insurance offered in compliance with these specifications. As an alternative to insurance certificates, the Contractor's insurer may voluntarily provide complete, certified copies of all required insurance policies, including endorsements, effecting the coverage required by these specifications.

5. MAINTENANCE OF INSURANCE COVERAGE: The Contractor shall maintain all insurance coverages in place at all times and provide the County with evidence of each policy's renewal ten (10) days in advance of its anniversary date. Each insurance policy required by this clause shall be endorsed to state that coverage shall not be canceled by either party, reduced in coverage, or reduced in limits, except after thirty (30) days' written notice for cancellation or sixty (60) days' written notice for non-renewal has been given to the County. For non-payment of premium 10 days' prior written notice of cancellation, certified mail, return receipt requested is required. Applicable to all

policies.

6.WORKERS' COMPENSATION WAIVER OF SUBROGATION: The workers' compensation policy required hereunder shall be endorsed to state that the workers' compensation carrier waives its right of subrogation against the County, its officers, directors, officials, employees, agents or volunteers, which might arise by reason of payment under such policy in connection with performance under this Agreement by the Contractor.

1. The County shall be named as loss payee.
- 2.The insurer shall waive all rights of subrogation against the County.

The County Risk Manager may waive or alter this requirement, or accept self-insurance in lieu of any required policy of insurance if, in the opinion of the Risk Manager, the interests of the County and the general public are adequately protected.

10. SUBCONTRACTORS: Contractor shall require all subcontractors to maintain adequate insurance. Subcontractors shall name CONTRACTOR as additional insured on their General Liability policies. CONTRACTOR shall maintain copies of certificates of insurance and additional insured endorsements as provided by CONTRACTOR's subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.
