Address: _____

Today's Date: 4/17/2025

Location of Concern (map attachments and photos are encouraged): Located at Devonwood Development

The front of my house, specifically, the parking space in front of the entrance to my house which is located at the end of Autry way which turns into Ritter Lane after a right turn.

Describe Concerns At This Location:

I am a handicapped individual with handicap registration. The quickest way for me to bring into the house whatever I'm carrying requires me to park in front of my house by my front door, however, my neighbors are using this space and refused to park in the 18 spaces that are in front of their house even though I explained to the husband that I need that space to be available for me. I talked to him during the 1st wk. of March; he said he would comply with my request, but on 3/22/2025 he dared me to call Merced Police when I informed him that I was going to seek help from Merced PD. It was Merced Police that referred me to the City of Merced to request handicap parking so I am doing this. Last wk. I emailed HOA for Devonwood and notified them that I'm going to request handicap parking to be placed by my front door.
