Citizen Action Request Form: Traffic Committee

Contact Person: Chris Grant Day Phone: [REDACTED]
Email Address: [REDACTED]
Address: 90 East 16th Street Today's Date: 08/15/23

Location of Concern (map attachments and photographs are encouraged):

South Edge of 16th Street; East of car wash at G street

Describe Concerns At This Location:

Due to worn markings and lack of seperation between the roadway an our property, we see significant damage and flooding on our property. Vehicles of all sizes including tractor trailers use our propery as a shoulder; leaving behind significant ruts and damage to our sprinklers. Our landscaping his hindered to the point of damaging our equipment or not being able to maintain large sections of our street facing property.

Even an interim solution would be a good first step. Thank you for your consideration as this correction for safety and propery is prioritized.
