Location of Concern (map attachments and photographs are encouraged):

Front of The Tioga building located at 1715 N Street, Merced, CA 95340.

Describe Concerns At This Location:

I am the property manager at The Tioga located in downtown Merced. I am contacting on behalf of our tenants regarding parking citations they have received particularly in the unloading zone area in front of the building. Please see the attached photos of exact location. Tenants concerns are that there is no clear signage posted that states the limits on these spaces. Is it possible to submit a request for proper signage and remark the sidewalk/street? The first space closest to the trash bin does not have proper markings on the floor so some people think this is a parking space and receive a parking citation.
