Employees may request accrued vacation time off to cover other personal absences not covered by this sick leave policy. The City will not tolerate abuse or misuse of sick leave privileges. In order to assure compliance by employees of the sick leave and to refrain from creating undue requirements on all employees for the actions of a few, the City will consider and require verification of potential sick leave abuse on a case-by-case basis in accordance with the law. In instances where abuse is suspected, or sick leave use begins to lead toward a pattern of abuse, the department head may require written verification by means of a physician's statement or personal affidavit (the choice of which shall be made by the department head, depending on the nature of the circumstances) in order for the employee to receive paid sick leave. If the employee is not currently under a doctor's care, the City may send the employee to the City's physician for verification with costs borne by the City. Leave for this purpose may not be taken until it has actually accrued. Employee shall be required to identify relationship of family member when requesting Family Sick Leave in accordance with Fire Department Policy F 1023 (Paid Time Off).

ARTICLE VI

HEALTH AND WELFARE

SECTION 6.01. BENEFITS PROVIDED AND REQUIRED. City shall provide a “cafeteria” plan. Each employee shall be required to participate in the following five plans to a level that provides for the employee:

- Hospital/medical care plan,
- Dental care plan,
- Vision care plan,
- Disability insurance plan,
- Life insurance plan.

Employees may request a waiver for medical, dental, or vision coverage from the Support Services Department. Such waiver may be granted only if the employee shows proof of other coverage through the employee’s spouse or registered domestic partner in accordance with City of Merced Administrative Policy P-27 effective December 1, 2006. Should an employee who has obtained a waiver to this provision lose such alternative coverage, the employee shall provide proof to the Support Services Department with five (5) business days and enroll in a City-provided insurance program. If waiver of coverage is granted the allowance as outlined in Section 6.03 will be adjusted accordingly.

Participation for the employee’s dependents, and participation in other coverages offered, is optional.

SECTION 6.02. PLAN SELECTION AND EMPLOYEE BENEFIT COMMITTEE. City shall provide a selection of employee health and welfare benefit coverages for eligible employees and retirees, including but not limited to at least two options each for hospital/medical care plan, dental care plan, vision care plan, life insurance plan, and disability insurance plan. At least one health/medical plan option will be comparable to those plans in existence on December 31, 2011. The plans shall be selected solely by the City following review of proposals by the Employee Benefits Committee. For the purpose of this section, it is understood that the role of the Employee Benefits Committee is advisory to the City Council. The Committee shall be comprised of representatives of each of the City’s bargaining units and management.

SECTION 6.03. SCHEDULE OF ALLOWANCES PER PAY PERIOD. The City shall contribute an amount per bi-weekly pay period (based on twenty-six pay periods annually) as the Cafeteria Allowance Per Pay Period. The amount of the Cafeteria Allowance Per Pay Period (City’s contribution) shall equal ninety-two percent (92%) of the sum of the premiums necessary to purchase:

- Core hospital/medical care plan for the employee (and dependents, if any);
- Core dental care plan for the employee (and dependents, if any);
- Core vision plan for the employee (and dependents, if any);

- Core long-term disability insurance for the employee, with that amount calculated the average cost per city employee; and
- Life insurance in the amount of the employee's annual salary, not to exceed \$50,000 with that amount calculated as the average cost per city employee.

“Core” means the basic offerings in the cafeteria listed in 6.01.

The allowance for Year One shall be effective June 25, 2012 (PP 14) is as follows:

Employee only	\$230.97
Employee plus one	\$450.99
Employee plus two or more	\$663.22

Future health and welfare plan costs over the current cost will be shared by both the City and the employee. Any increase in the sum of core premiums necessary to purchase the above listed coverages will be shared (55/45) between the City and the employee with the City paying 55% of the increase and the employee paying 45% of the increase. The City's portion shall reflect an increase in the Cafeteria Allowance Per Pay Period.

The employee shall be responsible for the balance of the premiums, if any, beyond the Cafeteria Allowance Per Pay Period. This applies for all insurance coverages selected, whether those coverages are part of the five basic offerings in the cafeteria, or other selections. In order to avoid issues of adverse selection and recognizing the mutual interest of the City and the Association in avoiding escalation of insurance premium expenses, no employee shall receive cash back for having waived required coverage under section 6.01, except that a unit member who is married and whose spouse or domestic partner is also a current City of Merced employee, accepted for waiver of medical coverage, shall receive cash back equal to twenty-five percent (25%) of the core medical premium for a single individual.

SECTION 6.04. MEDICAL/HEALTH, DENTAL AND VISION CARE COVERAGE AFTER RETIREMENT.

A. In accordance with Administrative Policy and Procedure No. P-17, as amended effective August 1, 2015, the City shall provide a hospital/medical care plan for eligible retirees. The hospital/medical care plan shall be selected solely by the City and shall provide essentially the same benefits to retirees as are provided to full-time employees. An employee shall be considered a retiree of the City if the employee retires in the California Public Employees' Retirement System and his/her last active place of full-time employment within the system was with the City. All retirees are eligible except as provided and shall receive hospital/medical care coverage under the following conditions:

1. The retiree is age 50 or over with at least ten (10) years of service with the City; or

2. Retiree is retired because of a service-connected disability; or
3. Retiree is retired because of a non-service connected disability with at least ten (10) years of service.

Spouse or registered domestic partner of eligible retiree may remain on the plan until the retiree is deceased. The spouse or registered domestic partner and retiree shall be responsible for payment of the premium for coverage of spouse or registered domestic partner.

New Unit employees hired after December 31, 2002 will not be entitled to receive the City's health/medical plan coverage after retirement.

- B.** City Contribution. For those eligible retirees in retirement status prior to January 1, 2007, the City agrees to contribute the amount necessary to provide a comparable hospital/medical plan for each eligible retiree.

For those active unit members who retire after January 1, 2007 the City agrees to contribute the monthly premium for each eligible retiree capped at the following amounts: \$390.55 monthly for Retirees over 65, and \$546.51 monthly for Retirees under 65. The retiree shall pay any amount over the capped premium.

- E.** Supplemental Retirement Medical Allowance. An employee retiring on or after January 1, 1999, and eligible for retirement medical benefits as provided in this Section, said retired employee and spouse or registered domestic partner and/or other dependents shall continue to be covered under the City's medical care plan until both persons reach age 65. The City shall pay the premium for the retired employee, and the dependent(s) premium shall be the responsibility of the retired employee. At the age of 65, the City's medical plan shall be secondary to Medicare medical coverage or any other benefit coverage available to the retired employee and eligible spouse or registered domestic partner.

- D.** An eligible employee who retires after August 1, 1998, and his/her spouse or registered domestic partner and/or dependents, shall be eligible to continue coverage under the City's dental and vision plans. The premiums shall be the responsibility of the retired employee. At the age of 65, or upon the dropping of coverage by the employee, or the death of the eligible employee, the City's dental and vision plans will no longer be available to the retired employee and his/her eligible spouse or registered domestic partner and/or dependents.

SECTION 17.03. PERSONNEL RULES AND REGULATIONS. The City and the Association have met and conferred on the March 1989 Personnel Rules and Regulations and exceptions to those Rules and Regulations are contained in this Memorandum of Understanding.

SECTION 17.05. STATION/SHIFT ASSIGNMENT POLICY. It is the policy of the City of Merced Fire Department to uniformly administer the station and shift assignments and transfer of personnel in a manner that fulfills the needs of the department and considers the desires of the individuals who are affected.

- A. **ANNUAL STATION ASSIGNMENT BID PROCESS.** The following guidelines define policy for shift transfers and station assignments and will assist in the interpretation and administration of these processes.
1. Between November 1st and November 15th of each year a bid sheet consisting of a blank roster will be presented to the Captain with the highest time in grade on each shift.
 - a. The Captain with the highest time in grade will place their name on the apparatus with the open Captain slot they desire on their shift. This process will be repeated by the Captains in descending order of seniority until all Captains have placed their name on the bid sheet.
 - b. The bid sheet will then be given to the Engineer with the highest time in grade and the process repeated until all Engineers have placed their names on the bid sheet.
 - c. The bid sheet will then be given to the senior Fire Fighter on each shift until all Fire Fighters have placed their names on the bid sheet.

Members may designate a proxy to complete their bid.

- B. **SHIFT TRANSFER POLICY.**

1. When shift transfer assignments become necessary due to promotion, retirement, or other reasons which create an absence, consideration will be given to those persons wishing to be transferred or reassigned.
2. When all things are considered equal, seniority within the City of Merced Fire Department shall be the major factor in determining station assignment.
3. When a vacancy is created on a specific shift, the department will announce the intent to permanently fill the vacant position. This may not occur until promotional examinations or new firefighter recruitment has been completed.
4. The shift vacancy will be filled in the following manner:
 - a. The most senior department member who holds the same rank as the vacant position will be provided the opportunity to transfer to the open position.
 - b. If the most senior member opts to not transfer, the position will be offered to the next most-senior member who holds the same rank.
 - c. This process will continue until the vacancy is filled.
 - d. Members who hold different ranks than the vacant position will not be allowed to bid for the position.
 - e. If a member chooses to transfer shifts, the vacancy created by this movement will be filled as outlined above. Offered to the next most senior member. NOTE: The filling of this vacancy will not be restarted with the most senior member.

- C. RESOLUTION OF DISPUTES. Prior to the initiation of a formal complaint or grievance regarding the administration of the transfer policy, employees shall seek to resolve the issue with their Battalion Chief.

- D. ADMINISTRATIVE DISCRETION. The Fire Chief shall have the discretion to reassign or transfer an employee due to unsatisfactory performance or when disciplinary actions are involved. Probationary employees shall be assigned at the discretion of the Fire Chief.

Inter-shift transfers shall be at the discretion of the Fire Chief. Consideration shall be given to keep all shifts as equal as possible in terms of seniority. Based on

- C. The employee bumping to a new classification must have held that classification at some time in his/her career in the City of Merced.
- D. Seniority is determined by time in the class from which the employee is bumping, plus time in any higher classification in the same series. The following provisions apply in computing total continuous service:
 - 1. Time spent on military leave shall count as service in the event the leave was taken subsequent to employment;
 - 2. Time worked in regular and/or probationary status shall count as service;

- G. Employees bumping to a lower or similar class shall be placed at the salary step representing the least loss of pay, without exceeding the employee's current rate of pay.
- H. The names of persons laid off or demoted in accordance with this policy shall be entered upon a re-employment list in the order of lay off. Such list shall be used by the City Manager and each department head when a vacancy arises in the same or lower class.
- I. Names of persons laid off shall be carried on a re-employment list for two (2) years, except that persons appointed to regular positions of the same or higher level shall be dropped from the list upon such appointment. Persons re-employed in a lower class, or on a temporary basis, shall be continued on the list for the higher position for the two (2) years.
- J. Refusal of a person to accept the first offer of re-employment with the same classification or a classification at the same or higher range shall cause the name of the person to be dropped from the re-employment list. Failure of a person to respond within seven (7) work days to the offer of re-employment shall be considered a refusal.
- K. If the provisions of this policy are in conflict with the provisions of a Memorandum of Understanding, the MOU shall be controlling without further action.
