RQ#: 24-45

## Citizen Action Request Form: Traffic Committee

Contact Person: Alvaro Chavez Day Phone: [REDACTED]

Email Address: [REDACTED]

Address: [REDACTED] Today's Date: 10/15/2024

Location of Concern (map attachments and photographs are encouraged):

Esplanade Dr between El Redondo Dr and Catalina Dr.

Describe Concerns At This Location:

I am writing as a concerned resident of Esplanade Dr regarding the ongoing issue of speeding vehicles in our area. Over the past several months, we had noticed a significant increase in the number of drivers exceeding the speed limits. This poses a serious safety hazard to both pedestrians and other drivers, particularly given the residential nature of our neighborhood and the number of "Children, elderly residents, and pets" frequently walking in the area. In light of these concerns, I would like to formally request the installation of speed bumps on Esplanade Dr. A speed bump would significantly deter speeding and make the street safer for everyone, particularly for elderly and children who are walking outside and the many pedestrians who use the sidewalks daily. Similar measures have proven effective in nearby neighborhoods, and I believe it would be a beneficial solution here as well.

Thank you for your time and attention to this important matter. I hope the city will take swift action to address this safety concern.
