

NON-LIMITED ACCESS AREAS

LOBBY

The lobby will be the sole entrance to the dispensary facility that will be accessible to persons who are not authorized employees of Harvest. In this lobby consumers, visitors, contractors, and members of the Bureau, law enforcement, or other relevant state and local authorities will check-in with the Security Guard on duty before being granted access to any other area of the dispensary facility. Identification for all visitors will be checked to ensure that only qualified individuals are allowed access to the separate, locked retail area where cannabis products are displayed and sold.

Patrons will only be granted access to the retail area after Harvest has verified that the consumer is at least twenty-one (21) years of age and has a valid proof of identification or that the individual is at least eighteen (18) years of age, has valid proof of identification, and a valid physician's recommendation for themselves or for a person for whom they are a primary caregiver. Valid proof of identification will clearly indicate the age or birthdate of the consumer or caregiver, as described in the Security section of this application. Individuals will not be permitted to remain on the premises if they will not be engaging in express activity related to the operations of Harvest.

RETAIL AREA

Cannabis and cannabis goods will be sold and displayed behind the sales counter in the Retail Area. This area will be accessible to employees, verified consumers, authorized representatives of the Bureau and other government officials, and authorized tradespeople when necessary to perform their job duties. At least one (1) Harvest Wellness Representative or other employee will be physically present in the retail area at all times when consumers or other authorized individuals are in the retail area. Our policy is to require at least one (1) Wellness

Representative for every two patrons in the Retail Area. After a patron purchases their cannabis goods, they will be required to immediately leave the retail area.
