SACRED ROCK: EDUCATION NATURES WAY

Outdoor Adventures

We will have day long excursions to Yosemite National Park where those attending may explore the nature it provides. Activities will include hiking, learning about the environment, and exploring gorgeous waterfalls that most park visitors wouldn't know to look for. Meals for the day are included. *For select members

Core Programs 2017 Fun & Sun Summer Camp

Character/Leadership Development This core area empowers youth to support and influence their Club and community, sustain meaningful relationships with others, develop a positive self-image, participate in the democratic process and respect their own and others' cultural identities.

Education & Career Development This core program area enables youth to become proficient in basic educational disciplines, apply learning to everyday situations and embrace technology to achieve success in a career.

The Arts This core program enables youth to develop their creativity and cultural awareness through knowledge and appreciation of the visual arts, crafts, performing arts and creative writing.

Health & Life Skills This core area develops young people's capacity to engage in positive behaviors that nurture their own well-being, set personal goals and live successfully as self-sufficient adults.

Sports, Fitness, & Recreation This program develops fitness, positive use of leisure time, skills for stress management, appreciation for the environment and social skills.
