

RESTATED JOINT POWERS AGREEMENT OF THE
TRANSIT JOINT POWERS AUTHORITY FOR MERCED COUNTY
[TJPA]

Effective Date _____, 2026

This Restated Joint Powers Agreement is entered into by and among those undersigned of the Cities of Atwater, Dos Palos, Gustine, Livingston, Los Banos, and Merced, all municipal corporations and the County of Merced, a political subdivision of the State of California.

RECITALS

1. Common Power. Chapter 5 of Division 7 of Title 1 (commencing with Section 6500) of the California Government Code authorizes two or more public agencies, by a joint powers agreement entered into respectively by them and authorized by their legislative or governing bodies, to jointly exercise any power common to them.

2. Common Authority. The City of Merced, by virtue of its charter, and the Cities of Los Banos, Atwater, Livingston, Dos Palos and Gustine, and the County of Merced, by virtue of California Government Code Section 6500 – 6539.9, inclusive, possess in common the authority:

- a) To plan, adopt, finance, administer, and operate transit equipment and facilities;
- b) To enforce and report Transit Services in the Service Area; and
- c) To do all acts necessary to participate in federal programs and receive federal funds for the development, operation, and provision of Transit Services within the Service Area, including contracting and cooperating with other agencies.

3. Orderly Development. The people residing within the incorporated and unincorporated areas of Merced County have an interest in the orderly development of their communities.

4. Independent Agency. The continued growth and extensive development within the incorporated and unincorporated areas of Merced County have evidenced the

need to create a wholly independent regional agency capable of dealing with area-wide issues and problems.

5. Transit Joint Powers Authority for Merced County. On January 24, 1995, as modified by Resolution 2002/03/21/2, the foregoing needs led to the creation and establishment of the Transit Joint Powers Authority for Merced County, (hereinafter referred to as "TJPA").

6. Effects. The establishment of TJPA has:

a) Provided a forum to study and develop solutions to area-wide problems of mutual concern to the Agencies.

b) Provided efficiency and economy in governmental operations through the cooperation of the Agencies and the pooling of common resources.

c) Provided for the establishment of a Joint Powers Authority responsible for planning, adoption, financing, administration, and operation of transit equipment and facilities and for the joint monitoring, enforcement, and reporting of Transit Service activities in the Service Area.

d) Facilitated cooperation among and agreement between the Agencies for specific purposes, interrelated developmental actions, and for the adoption of common policies with respect to issues and problems which are common to the Agencies.

7. Amendment. The undersigned Agencies and Members desire to amend and restate the Transit Services Consolidation Agreement dated January 24, 1995, as amended (the "Original Agreement"), in order to establish the duties and powers of the Transit Joint Powers Authority for Merced County. This Restated Joint Powers Agreement and the terms and conditions set forth herein supersede all prior amendments and restatements of the Original Agreement.

(5) Make or contract to make an annual audit of the accounts and records of TJPA. The minimum standards of the audit shall be those prescribed for special districts under Section 26909 of the Government Code and shall conform to generally accepted auditing practices. A report of the audit shall be filed as public record with each of the Agencies within 12 months of the end of the Fiscal Year under

examination. Any costs in making an audit in accordance with this Agreement shall be borne by TJPA and shall be a charge against any unencumbered funds of TJPA available for the purpose.

The liabilities of a withdrawing Member shall specifically include those resulting from acts or omissions when the withdrawing Member was a participating Member of TJPA.

(b) Has provided written notice of intent to withdraw, via a resolution of the governing body of the Member, at least one (1) year prior to the end of the Fiscal Year in which it intends to withdraw. Withdrawal shall be effective at the end of the fiscal year.

(c) This Section 9.1 may only be modified by the unanimous consent of the Members.

9.2 Costs of Withdrawal. A withdrawing Member shall be responsible for all costs associated with its withdrawal from TJPA. Such costs may include, but may not be limited to, TJPA staff time associated with ensuring the proper and complete withdrawal of the Member and costs of continuing contracts attributable to that Member. In determining the costs associated with the withdrawal of a Member, the withdrawing Member shall have the option of allowing TJPA to determine such costs or of hiring, at its own cost, an independent auditor approved by the Board to determine the costs associated with its withdrawal.

ARTICLE 10. TERMINATION

10.1 Termination Requirements. This Agreement may only be terminated by consent of all Members, and upon full and complete liquidation of all liabilities, including, but not limited to, certificates of participation, notes, revenue bonds and other indebtedness, if any, and the winding up of all TJPA business. Upon the date of termination ("Termination Date"), payment of any and all obligations and division of any and all assets of TJPA shall be conducted subject to the then applicable requirements of the law (currently Section 6511, et seq., of the Act) as follows:

(a) In the event of termination of TJPA where there is a successor public entity that will conduct all of the activities and assume all of its obligations, any and all MCAG assets and liabilities remaining upon termination shall be transferred to the

successor public agency.

(b) If there is no successor public agency that would conduct TJPA's activities, all assets and liabilities, including surplus money, shall be apportioned to each Member in proportion to population.

(c) If there is a successor public agency that would conduct some of TJPA's activities, then the Board shall allocate TJPA assets and liabilities, including surplus money, between the successor public agency and the Members. In such case the Member's portion of the allocation shall be based on subparagraph (b) above.

(d) By unanimous agreement of the Members, assets and liabilities may be disposed of, divided or distributed on a basis different from that established in this Article 10.

ARTICLE 11. BYLAWS

11.1 Bylaws. Bylaws may be adopted by the Board pursuant to which meetings of the Board shall be called. The Bylaws shall contain appropriate provisions for the transaction of business and describe the duties and powers of the Chair and Vice Chair and such other officers as may be appointed. To the extent the Bylaws conflict with this Agreement, the terms of this Agreement shall control. The Bylaws may be amended from time to time by majority vote of the Board after notice in accordance with the Bylaws.

ARTICLE 12. AMENDMENTS

12.1 With the exception of Article 10, Article 9, Section 7.2 and Section 4.2, this Agreement may be amended at any time by agreement of five Members, one of which must be the County of Merced. The County of Merced's agreement shall be evidenced by a resolution of the County Board of Supervisors. Agreement of a city Member shall be evidenced by a resolution of their respective City Council. However, no amendment may reduce the representation rights of a Member, or add to the duties or obligations of a Member without the agreement of such Member.

ARTICLE 13. MISCELLANEOUS

13.1 Filing with the Secretary of State. All notices required by Government Code

Sections 6503.5 and 53051 shall be filed by TJPA with the California Secretary of State.

13.2 Immunity. All of the privileges and immunities from liability, exemptions from laws, ordinances and rules, all pension, relief, disability, worker's compensation, and other benefits which would apply to the activity of officers, agents, or employees of any such Member, when performing their respective functions within the territorial limits of the respective Members, shall apply to them to the same degree and extent while engaged in the performance of any of their functions and duties under this agreement outside the territorial limits of their Agencies.

13.2 Successors and Assigns. This Agreement shall be binding upon and shall inure to the benefit of the successors and assigns of each Member. Notwithstanding the foregoing, no Member may assign any right or obligation hereunder without the written consent of all other Members.

13.3 Severability. If any provision of this Agreement or its application to any Person or circumstances is held invalid or illegal by a final judgment of a court of law in the State of California, the remainder of this Agreement and the application of the provision to other Persons or circumstances shall not be affected.

13.4 Headings. All section headings contained in this Agreement are for convenience and reference only. They are not intended to define or limit the scope of any provision of this Agreement.

13.5 Conflict of Interest Code. TJPA has adopted a conflict of interest code.

13.6 Disputes. Prior to filing a lawsuit, the parties shall attempt to resolve, in good faith, any and all disputes, claims or controversies arising out of or relating to this Agreement, including decisions and official actions of the Board, by participating in mediation, conducted by a mediator selected by the parties to the dispute. This provision may be invoked by any Member with written notice ("Notice of Mediation") to TJPA, or to the other Agency to the dispute, accompanied by a resolution of the invoking Agency's council or board invoking this provision. TJPA may also invoke this provision through a majority vote of the TJPA Board.

Once Mediation Notice is received by an Agency, the parties to the dispute, or their respective representative, shall select a mediator with appropriate expertise and experience with dispute resolution. If the parties are not able to stipulate to a mediator, then, within 10 business days of receiving the Mediation Notice, the parties shall simultaneously exchange a list of three mediators. Each party shall propose their list of mediators independently and without sharing their list with any other party. Within five business days of the exchange, the parties shall, independently and without comparing, rank all of the mediators exchanged in numerical order and exchange such rankings. The highest-ranking person shall be designated as the mediator. In the event of a tie, the earliest available person shall be designated as the mediator. If such mediator is not available to serve, or is otherwise conflicted, the parties shall proceed to contact the mediator who was next highest in ranking until they are able to select a mediator. The parties shall have 30 days from receipt of the Notice of Mediation to select a mediator.

The selected mediator, in consultation with the parties, shall establish the time and place of mediation, rules regarding the prompt exchange of information, and the exchange and preparation of written summaries (if necessary). The parties shall attempt in good faith to complete mediation of the dispute within 120 days of selection. The parties may, by unanimous agreement, establish a different timeframe for mediation. Such alternative timeframe must be in writing and agreed to within 90 days from receipt of the Mediation Notice. Such agreement may be executed by the parties' representatives. The parties agree to attend a minimum of two full-day mediation sessions if the matter cannot be resolved sooner. During the course of the mediation, no party can assert the failure to fully comply with the timelines established herein as a reason not to proceed or to delay the mediation.

The service of the Notice of Mediation shall stay the running of any applicable statute of limitations regarding the dispute until 15 days after conclusion of mediation. Conclusion of the mediation shall occur at the earliest of 1) execution of a settlement

agreement by all parties to the mediation, 2) declaration of the mediator that mediation is terminated, or 3) at the expiration of 120 days from the selection of the mediator (or alternative agreed upon timeframe for mediation) and the parties have attended two full-day mediation sessions. Each side shall bear an equal share of the mediation costs unless the parties agree otherwise.

The mediation process shall be confidential based on terms acceptable to the mediator and/or mediation service provider.

13.7 Execution in Counterparts. This Agreement may be executed on behalf of the respective Members in one or more counterparts, all of which shall collectively constitute one agreement.

13.8 Authority to Bind. Each person signing below represents and warrants that he or she is authorized, by resolution or similar action, of their respective city council or board of supervisors to bind the Agency on whose behalf he or she executes this Agreement.

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement on the dates shown in the respective signature blocks.
