The alley behind my home located on corner of	
Describe Concerns At This Location:	
Yosemite onto Paulson. Even though I go very slowly and wa Yosemite. There isn't enough room for them to see us. Also id	edistrians or oncoming traffic which is coming quickly around the corner of E tch carefully I have almost been hit by cars turning right onto Paulson from E oggers, pedestrians and people on skateboards pass our alley without e sidewalk don't expect cars to be entering or exiting there creating a
Would mirrors help us see who is coming? Painting the sidewalk?	
Hopefully you can design some way to make this safer for the sidewalk daily and give the 13 residents a safer access to the	many students from Peterson and Cruickshank Schools who use this ir garages.
