Good afternoon Goldie,

I am currently processing all Traffic Committee requests for the May 14th meeting, and I am looking for a little more information.

Being that this is a committee, they are looking for calming measure suggestions to be presented when reviewing these requests. For example, "I think we need a stop sign at the intersection of M St & 11th" "The speed needs to be decreased on Donna Drive" etc. This will help make the process for solution much easier. If you could please elaborate more on that, it would be greatly appreciated. Please let me know if you have any questions or need me to explain any further.
