Hello All,

Regarding the Development Review meeting for:

VTSM#1334/ERC #24-39

GPA #24-03/R-PD EST #83/VTSM #1333/ERC #24-30

Please forward this response to Diana Lowrance, I do not have a good email address for her, please feel free to let the developer(s) know MID is an Electric Service provider in the area(s) of the development(s) and MID could serve them, MID ask that sufficient public utility easements be dedicated adjacent to all road rights of way, any additional rights of way/Easements necessary to serve the developments would be discussed with the developer(s) during planning stages with MID.

Thank you,

Kevin L. Malone
