SUBJECT: Conditional Use Permit #25-0006, initiated AT&T bγ on behalf of The City of Merced, Mobility, property owner. This application involves request to construct a 55-foot-tall wireless communication tower in the form of a stealth mono-palm tree at 3400 Parsons Avenue, generally located at the northeast corner of Parsons Avenue and Brookdale Drive, with a General Plan designation of Open Space (OP-S). and a Zoning classification of (R-1-6) *PUBLIC **HEARING***

ACTION: Approve/Disapprove/Modify

1) Environmental Review #25-0002 (Categorical

Exemption)

2) Conditional Use Permit #25-0006

SUMMARY

AT&T Mobility is requesting approval to construct a 55-foot-tall wireless communication tower in the form of a stealth mono-palm tree at 3400 Parsons Avenue (Attachment D) within a Low Density Residential (R-1-6) Zone. The project is located at the northeast corner of Parsons Avenue and Brookdale Drive within the City's Rahilly Park. Per Merced Municipal Code Land Use Table 20.58-2 - Review Procedures for Support Towers for Wireless Communication Facilities, a site plan review is required for stealth facilities within an R-1 Zone that are over 140% of the maximum height allowed within this zone. However, as described in the background section of this report, because the Site Plan Review Committee April 3, 2025, referred this request to the Planning Commission, the land use permit required is now a conditional use permit. Staff is recommending approval of this application subject to the conditions contained in the Staff Report.

RECOMMENDATION

Planning staff recommends that the Planning Commission approve Environmental Review #25-0002 (Categorical Exemption), and Conditional Use Permit #25-0006, including the adoption of the Draft Resolution at Attachment A, subject to the conditions in Exhibit A and the findings/considerations in Exhibit B.

Development Services Technician II LEE reviewed the report on this item. For further information, refer to Staff Report #25-302.

Public Testimony was opened at 6:14 PM.

Staff received 4 emails from CARL JONES, JULIE HORAL, LYNN MALLOY, and SANDRA BOESE. The emails were provided to the Planning Commission via email prior to the meeting and posted on the City's website.

SUBJECT: General Plan Amendment #24-01, Northeast Yosemite Specific Plan Amendment #6, and Vesting Tentative Subdivision Map #1329 ("Paulson Ranch"), initiated by Stonefield Home, Inc., property owner. The General Plan Amendment would amend the Merced

General Plan Transportation and Circulation Element by modifying the City of Merced Circulation Plan (Figure 4.1) and all associated maps and descriptions throughout the General Plan, to eliminate Destiny Drive (a collector road) from going through the subject site to Paulson Road (extension). The Northeast Yosemite Specific Plan Amendment would modify the design, layout, and circulation of the residential subdivision previously approved for this site. The Vesting Tentative Subdivision Map would subdivide approximately 39.12 acres into 104 residential lots (mostly between 6,000 and 7,000 square feet).
