Contact Person: Brian LaRocque Day Phone: [REDACTED]

Address: _____ Today's Date: 10/13/2025

W. Donna Dr between R St. and M St.

The side roads that come into Donna from Yosemite Ave and Buena Vista (both moderately used and sometimes busy) do not have stop signs. We would like to request stop signs at San Jose & Donna and De Anza Ave & Donna. We do not feel as Donna Dr has been evaluated since it was a dead end road. Traffic is too fast and too busy on Donna for these side streets to not have stop signs.

I'm worried about my granddaughter riding her bicycle and also walking my dogs on Donna Drive. due to cars drive in excess speeds of 50 to 80 mph down our street. Many people have small children and pets. Something needs to be done to stop Donna Dr from being a race track.
