Re: Wahneta Hall Endowment Trust Fund

Dear Parks and Rec Commissioners:

Please accept the following request and information with respect to the Wahneta Hall "Endowment Fund:

1. **Amount Requested:** \$2,395.00 (Maximum of required distribution)

2. **Purpose of Request:** To operate and maintain train in Applegate Park during 2023-2024 season.

3. Statements why the request should be considered favorably:

Kiddieland Express Trains have operated in the community for over 66 years. The current train has run for approximately 50 years. The flooding that impacted Merced County on April 9, 2023, eroded the existing train track ties resulting in continuous train derailments and concerning safety issues. The safety concerns caused the Board to de-commission our iconic Kiddieland Express Train in April 2023.

Over the past 1.5 years, the project team has learned massive lessons related to the safety challenges connected with local amusement parks. As a result, the Foundation contracted for a train track evaluation which cited numerous safety concerns other than merely the track replacement. These concerns led us to approve the replacement of our tracked train with a "trackless" train that will run on a 6" high traction concrete path on an extended train path route through Applegate Park. The trackless train path will have bummer guards on the Creekside route and will provide an ADA access through the green meadow area in Applegate Park.

Operation of the train system in Applegate Park is operated as a community service to the children and parents of the City of Merced. The costs of operation exceed the revenues. Ticket costs are purposely kept low to serve all in the community. The train has been a popular feature of the park and has provided a memorable experience for the thousands of children and parents who have ridden it over the years.

4. <u>Statements why the request qualifies for consideration</u>: Under the terms of the Wahneta Hall Trust, the income from the endowment fund has to be used to establish and maintain a mini train system

and/or establish and maintain a band concert program at Applegate Park. Failure to use the funds in accordance with the trust terms is cause for the trust gift to lapse. The Kiwanis Club of Greater Merced has operated and maintained the train system in Applegate Park for over 66 years.

5. <u>Financial Statement</u>: Please see attached the financial statements for the period October 1, 2022 through September 9, 2023.

Your kindest attention to this request is appreciated.

Sincerely,

KIWANIS CLUB OF GREATER MERCED Kiwanis Kiddieland Committee
