Honorable Mayor Serratto and Council Members:

The Merced Rotary Club is pleased to formally request the naming rights to the new stage in Bob Hart Square. In support of this request, we are offering a contribution of \$50,000, as well as funding for an appropriate plaque or signage for the stage in accordance with the City's specifications.

The Merced Rotary Club has a rich and longstanding history in the City of Merced. As one of the community's oldest service organizations, we have spent our 103-year history meeting and serving in the heart of downtown earning us the informal title of the "Downtown Rotary Club." Since our founding in 1922, our meetings have been held in downtown Merced, beginning at the historic El Capitan Hotel. We take great pride in seeing the hotel revitalized, standing as a reminder of our club's origins. Many of our members work in, own property in, and actively support the downtown corridor, recognizing the critical importance of investing in its continued growth and vitality.

As you may know, the Merced Rotary Club has contributed to numerous capital projects throughout the community, including the Rotary Coves at Lake Yosemite, the shade structure at Rahilly Park, the Scout Hut in Applegate Park, and most recently the scoreboard at El Capitan High School. However, we have not yet had the opportunity to make a significant capital investment in downtown Merced, where our roots lie and we are truly excited for the chance to do so through this project.

Our commitment extends beyond naming rights! The club is eager to support the arts in downtown Merced by sponsoring talent and performances on the stage for the community to enjoy. Downtown has become a vibrant highlight of our city, and we are proud to play a role in supporting its momentum.

Finally, much of the millions of dollars we have invested in the community over the years comes from private funds and small donors. It is important that these donors see the lasting impact of their generosity. Naming the stage in Bob Hart Square *The Merced Rotary Stage* would serve not only as a visible reminder of their contributions "doing good," but also as a testament to the power of community involvement and the importance of supporting Rotary. This recognition would also strengthen our ability to continue raising funds and giving back.

Thank you for your thoughtful consideration of our request. We look forward to the opportunity to discuss this further.

Respectfully,
The Merced Rotary Club
