

TRAIL Blazers Outdoor Recreation

A Transformative Program offered through
Merced Parks & Community Services

Why Partner with Us?

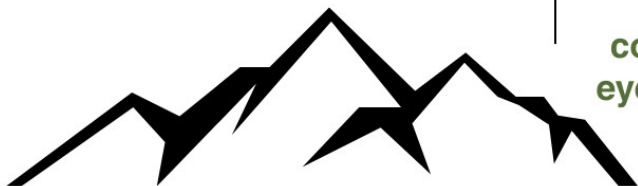

- Engage promising youth through positive, structured challenging outdoor activities
- Build confidence, resilience, and leadership skills in students that need a helping hand
- Foster teamwork, environmental stewardship, and personal growth in our next generation of leaders
- Provide a safe, supportive space for students facing social, emotional, or academic challenges

Program Highlights:

- Weekly Mentorship from trained recreational professionals
- Hands-on environmental education & conservation projects
- Leadership & teamwork development through engaging challenges
- Monthly weekend trips to regional, State, and National Parks!
- Adventure-based learning (hiking, fishing, rock climbing)

“

Going on outings and learning about my community opened my eyes to new possibilities for my future!

Let's work together to provide meaningful experiences that inspire, empower, and transform the lives of youth in need of our help!
