THIS AGREEMENT, entered this ____ day of _____, 2021, by and between the City of Merced (herein called the “Grantee” and/or “City” and/or “City of Merced Housing Division”) and Symple Equazion (herein called the “Subrecipient”).

WHEREAS, the Grantee applied for and received funding from the United States Department of Housing and Urban Development (“HUD”) under Title I of the Housing and Community Development Act of 1974, as amended (HCD Act), Public Law 93-383 (B-20-MC-06-0044) under the Community Development Block Grant (“CDBG”) and administered by the U.S. Department of Housing and Urban Development (“HUD”) (14.218-Entitlement Grant) with a Federal Award Date of March 10, 2021; and,

WHEREAS, Grantee adopted a Five-Year Consolidated Plan on November 16, 2020, which identifies several populations, including extremely low- and low-income households, homeless person, seniors and frail elderly, youth, and persons with disabilities as those in most need, and identifies projects for increased public services to area nonprofit agencies, particularly those programs that provide services for the homeless, youth, and seniors and those that promote and/or create fair and affordable housing, especially targeting extremely low- and low-income households, as essential to the community; and,

WHEREAS, in response to the City’s Notice of Funding Availability published in the Merced Sun-Star and Merced County Times newspapers to solicit public service proposals for CDBG assistance, Grantee received an application from Symple Equazion, to administer and operate a Public Service program to benefit young women who are homeless or at imminent risk of becoming homeless within the City of Merced city limits, specifically to provide shelter, support services, and skills training that will enable them to obtain and maintain housing and employment once they have completed the Subrecipient’s program; and,

WHEREAS, on November 16, 2020, the City approved an allocation of \$38,960 of its Community Development Block Grant funding (“CDBG”), through the program year 2020-2021 Annual Action Plan, to provide funding assistance for eligible costs associated with the operation of the Subrecipient’s existing transitional shelter program, such as staff costs, supplies, utilities, maintenance, and insurance, as well as funding assistance for costs related to providing life skills training and employment-related education and skills to the shelter residents, to be carried out during the 2020-21 program year or beyond, if necessary; and,

Public Services are defined by 24 CFR, Section 570.201(e) as allowing for the provision of services (including labor, supplies, and materials) including but not limited to those concerned with employment, crime prevention, homeless support and prevention, child care, health, education, fair housing counseling, or recreational needs., and,

WHEREAS, Subrecipient represents that it has the necessary experience, expertise, qualifications, and willingness to implement this program and will continue to provide shelter and support services to Merced’s homeless and at-risk young women using the provided funds, pursuant to terms and conditions of this Agreement and in a manner satisfactory to Grantee; and,

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged and agreed, the parties hereto agree as follows:

I. SCOPE OF SERVICE

A. Activities. General Statement: The Subrecipient will be responsible for administering and providing a CDBG Public Service Program during the 2020 Program Year (herein called "the Program"), serving a minimum of 12 beneficiaries, in a manner satisfactory to the City and consistent with any standards and/or alternate standards required by HUD as a condition of providing these funds. The program will be operated and available to residents located within the City limits of Merced, not including County islands, and will deliver transitional shelter and support services to homeless and at-risk young women, as described in the Subrecipient's proposal and in this Agreement, subject to requirements within.

Such program implementation will include the activities eligible for reimbursement under the CDBG program described in this Section. In addition, in compliance with the CDBG National and Primary Objectives, Basic Eligible Activities, and all other policies contained in 24 CFR Part 570, Subrecipient will ensure that CDBG funding provided shall be expended to benefit the maximum number of LMI persons possible in carrying out the National Objective described in Section I.B. below.

1. Program Design. The Program carried out by the Subrecipient shall be designed and prioritized around solving the following problems:
 - a. Problem #1: The operational sustainability of the existing transitional shelter is paramount to further helping to reduce the number of homeless youth in the Merced community and providing a stable living environment to the targeted population of unaccompanied young women aged 18-24 who are homeless or at high-risk of becoming homeless.
 - b. Problem #2: After establishing the shelter approximately two years ago with the original singular purpose of providing stable housing for homeless young women, the Subrecipient found that the previously homeless participants had been unable to acquire the soft skills and self-sufficiency needed to obtain employment and live successfully and sustainably on their own. The daily struggle of homelessness impeded their ability to empower themselves, seek out and pay for training, obtain a job, and manage their own lives and finances. The poverty rate for females is proportionally more than males in a county with an unemployment rate significantly higher than both the state and national averages. Soft skills training, an employment training curriculum, and self-awareness coaching and counseling is necessary to enable participants to move beyond public assistance safety net reliance and become productive, contributing individuals.
2. Program Delivery. CDBG grant funds totaling \$38,960, referenced above and further herein, shall be directed toward the below-listed deliverables. Each activity shall be considered a separate, stand-alone component of this program. Subrecipient must utilize the funds in accordance with the applicable CDBG funding regulations, requirements, eligible costs, and general activity delivery for the Program. Public Service activities are subject to the requirements found in 24 CFR 570.201(e) and 42 U.S.C. 5305(8). The Grantee reserves the right to request detailed accounting

and auditing records documenting prohibitions and limitations listed below with regards to conflict of interest issues.

- Activity #1: *Grant assistance to support the continued operations of the existing Aim High Transitional Shelter for homeless young women located at 1840 T Street, within the Merced City Limits*: Eligible reimbursements include: allowable general support to the operations of the shelter as they directly relate to providing shelter to homeless youth, including necessary utilities such as gas, electric, telephone, internet, and water/sewer/refuse utilities; food, bedding, linens, and other personal supplies for shelter residents; supplies and equipment to support daily shelter operations as needed and approved by Grantee; direct staff hours to daily shelter operations (timesheet for all hours billed must be provided); and, necessary maintenance, repair, and appliance replacement for the shelter as operating costs (such as plumbing or electrical repairs and replacement of kitchen appliances that cannot be reasonably repaired, in terms of weighing cost reasonableness of extending useable life with repair versus full replacement of the appliance in question), not as deferred maintenance or capital improvements to the home.

Specific ineligible costs for this program are: reimbursements for rent to the shelter by the program, due to an identified conflict of interest being that the transitional shelter is owned by two officers of the Subrecipient organization as husband and wife. Similarly, and as such, direct hours worked by officers of the Subrecipient organization towards the daily shelter operations shall not be reimbursed through these funds. The Grantee reserves the right to request detailed accounting and auditing records documenting this prohibition, as well as reimbursement of any prohibited payments.

- Activity #2: *Employment, business, personal, emotional health, and life skills training for transitional shelter residents*: Eligible reimbursements include: costs of providing job training, peer support and other counseling expenses, customer service training, computer skills training, business management training; personal and business finance/money management training; direct hours worked towards all activities listed here, including direct public service training hours worked by officers of the Subrecipient organization who are also

owners of the shelter (note: shall be clearly documented and auditable)

As residents of the shelter will, at the time of service, be residents of the City of Merced, these program costs are reimbursable at 100% of the original cost within the program year. Proper, clear, and thorough documentation must be provided with reimbursement requests for costs to be reimbursed, and accuracy of all calculations shall be ensured before submittal of invoices. Grant assistance is not income and shall not be disbursed directly to the participant.

- Activity #3: Subrecipient shall collect and submit required client demographic data and reports, which includes identifying client income category qualifications, ethnicity, race, and other pertinent information, which HUD requires for the use and expenditure of CDBG-CV/CDBG funds. Subrecipient shall use the form at Exhibit E-2, or their own equivalent form that reports the same required data. This reporting shall be performed and submitted with each invoice submittal for each business assisted.
- Activity #4: *Subrecipient Program Activity Delivery/Grant Administration costs*: Eligible reimbursements include: costs of required general liability and other insurance for the Program; administrative support for legal, accounting, human resources, or audit services; For allowable direct administrative funds utilized up to the 10% maximum, proper backup documentation for all requested reimbursements shall be provided, including an explanation of how the cost directly relates to Activities #1 through #3 above and all related rates and allocation calculations. Accuracy of all calculations shall be ensured before submittal of all invoices.

Before submitting any requests for reimbursement, the Subrecipient shall assure that all costs are reasonable, responsible, and necessary to the success and sustainability of the Program and represent no conflict of interest.

Grant assistance shall only be disbursed to the business account of the Subrecipient. The Subrecipient shall pay all reimbursable expenses with traceable methods (not paid with cash) and shall provide evidence of such payment as backup documentation when submitting reimbursement requests to the Grantee. Grantee may refuse reimbursement or demand

repayment from the Subrecipient if it is determined that a cost is ineligible per HUD Rules and Regulations, or if assistance provided was later found to be duplicative. Recaptured funds shall either be re-used for the program towards other eligible costs that assist the shelter residents within the intents of the program or returned to the Grantee, with thorough and auditable accounting records provided to the Grantee. Proper and thorough backup documentation for all requested reimbursements and transactions shall be provided.

3. Services Provided. Services to be provided with this Agreement by the Subrecipient shall include the following:
 - a. *Operational Support for Transitional Housing for Homeless/At-Risk Young Women* – Arrange for the provision of existing rooms and beds within the Subrecipient’s existing Aim High Transitional Shelter located at 1840 T Street in Merced City and use the provided funds to support the operation costs of the shelter, including utilities, food, bedding, linens, and personal supplies for resident participants, program office supplies, and other eligible costs permitted by HUD to be reimbursed with CDBG funds.
 - b.

<i>Support</i>	<i>Services:</i>	<i>Self-Awareness/Personal</i>
<i>Development/Sustainability</i>	<i>Skills/Employment</i>	<i>Skills</i>
<i>Training/Business and Personal Money Management Skills, Job Attainment Skill, and Job Searching Assistance</i>		

– Arrange for the provision of in-house and/or online training curriculums and classes that will teach shelter residents essential life and employment-related skills, including but not limited to office and financial accounting computer program skills, how to maintain a household, bill-paying, critical thinking, time management, internet research, financial literacy, reading comprehension, goal setting, resume writing, communication skills, and budgeting, including saving income for future expenses such as housing; arrange for life coaching and/or counseling for residents to develop personal awareness, self-confidence, and self-esteem; teach and assist residents in seeking, applying for, and attaining employment outside the shelter; and, upon completion of the Aim High POWER Academy Program, assist participants in finding permanent housing;

eligible costs incurred by the Subrecipient while providing such training and related support are permitted by HUD to be reimbursed with CDBG funds.

- c. Statistical and Income Eligibility Recordkeeping - complete demographic, income level, and other HUD-required statistical information on each beneficiary (owners/employees) will be collected for subsequent reporting purposes and to ensure that the primary beneficiaries of funding are LMI owners and/or employees.

B. National Objectives. All activities funded with CDBG funds must meet one of the three following primary CDBG National Objectives as further defined in 24 CFR 570.208: (a) activities benefiting LMI persons; b) activities which aid in the prevention or elimination of slums or blight; or, c) activities designed to meet community development needs having a particular urgency.

The Subrecipient certifies that the Program activities that will be carried out under this Agreement will meet the primary National Objective to benefit LMI persons, particularly the specific National Objective category described in Section III – Program Description, below. Reporting of the Performance Indicator noted shall be submitted with each invoice submitted to the City.

In meeting the National Objectives of this Program, each beneficiary, through services provided by the Subrecipient, and as a condition of receiving assistance, will provide source documentation of income eligibility so that it is evident that the assistance is reaching the intended beneficiaries and meeting National Objective requirements of the provided CDBG funds, including: a) income tax returns or other relevant records as may be needed, or, b) proof they reside in a Census Tract recognized by HUD as low-and-moderate-income eligible.

Additionally, the following requirements must be met:

- Documentation shall be provided indicating that 100 percent of the beneficiaries will be LMI persons, in meeting the determined National Objective for the program (24 CFR 570.208(a)(2)(C)).

In lieu of requiring 100% source documentation from clients to verify income, the Subrecipient may use verifiable self-certification methods of ensuring income limits are being met in processing clients' applications, if so desired (Exhibit C-3). However, if Self-Certification form methods are used, the Subrecipient shall

randomly require source documentation be provided by at least 51% of the clients served upon intake of the clients, and verify such income before funds are disbursed, to consistently ensure that the information being provided on the self-certification form is true and correct as signed and certified by the beneficiary, and to ensure that at least 100% of the clients served are low to moderate income, per the designated National Objective and to meet HUD requirements. In the event any beneficiary was later found to be over-income after disbursement of funds, those funds shall be re-paid to the Grantee by the Subrecipient.

In the event any beneficiary was later found to be over-income after disbursement of funds, those funds shall either be re-paid to the Grantee or recaptured, with acceptable documentation provided to the Grantee, for re-use into the program.

- C. Levels of Accomplishment – Performance Measures. The purpose of measuring the proposed activities is to gather information that determines how well programs and activities are meeting established needs and goals. Defining program objectives should closely mirror the statutory objective of each program, broadly framed to capture the community impacts that occur as a result of a program's activities. Further defining each program into expected outcomes helps further refine the objective and is designed to capture the nature of the change or the expected result of the objective the program seeks to achieve.

For this program, HUD's Outcome Performance Measurement System will measure the following objectives, outcomes, and indicators:

1. Performance Objective: Creating Suitable Living Environments - this objective applies to activities that are designed to benefit communities, families, or individuals by addressing issues in their living environment. This objective relates to activities that are intended to address a wide range of issues faced by LMI persons, from physical problems with their environment, such as poor quality infrastructure, to social issues such as crime prevention, literacy, or elderly health services.

For this program, the objective is to provide the Subrecipient's existing transitional shelter with operating cost support, not including rent, for the 2020 Program Year and approximately 12 participants with individual support and a wide range of in-house skills training and emotional health counseling/coaching for the purpose of lifting homeless and at-risk young women through the Subrecipient's existing transitional shelter program and out of poverty by providing participants with the skills to obtain, retain, and

excel in employment and manage the challenges faced by young women in the workforce and at home.

The ultimate objective is to provide beneficiaries with the knowledge, job skills, financial management, and self-confidence that will enable them to lift themselves out of homelessness and extreme poverty and to be successful in future employment throughout their lifetime, providing a positive path for permanent poverty avoidance.

2. Performance Outcome: Availability/Accessibility - this outcome applies to activities that make services, infrastructure, public services, public facilities, housing, or shelter available or accessible to LMI people, including persons with disabilities. In this category, accessibility does not refer only to physical barriers, but also to making the basics of daily living available and accessible to LMI people where they live.

For this Program, the primary expected outcome is to improve the accessibility to sustained transitional shelter assistance for homeless and at-risk young women and improve the accessibility to highly-skilled employment opportunities when transitioning out of the Subrecipient's shelter. Additionally, counseling and life coaching provided by the Program will provide participants with the emotional control skills and self-esteem necessary to handle daily challenges.

The Subrecipient shall set attainable goals showing the number of participants to be served and the expected success rate. A final report showing the goals created by subrecipient as of June 30, 2021 (Year-End), shall be submitted by September 1, 2021 (with the Final Invoice) and shall include the final outcomes of the program including job search or attainment challenges and successes.

3. Performance Indicators. HUD requires reporting of data elements relevant to most HUD-assisted activities that indicate the ability of the Program to carry out the primary objectives of CDBG programs. As such, the Subrecipient shall report the following data in quarterly and end-of-the-year reports, using the templates shown in the attached Exhibits, as applicable:
 - Amount of other funds leveraged for this activity, including other Federal, state, local, or private sources, if any.
 - The number of persons assisted.

- List household size of persons assisted by number of persons in household, including children, and indicate if head of household is female.
- List household income levels of persons assisted by: 30 percent, 50 percent, or 80 percent of area median income (AMI).
- Race, ethnicity, and disability data elements for each individual directly assisted with and benefitting from this Program.
- Database containing service provided; number of residents participating monthly; male and female breakdown; number and subject of training sessions; attendance; and, absences.
- Copy of entrance and post tests for each participant
- Copy of sign in sheets for participant training sessions
- Photos of events/training
- 6-month outcome (beginning with last month of assistance), when possible.

4. Expected Levels of Accomplishment. Subrecipient is expected to meet at least one of the following anticipated outcomes:

- Provide continued transitional shelter services to a minimum of 12 marginalized and/or homeless young women during the Program Year
- Provide computer, financial, business management, personal finance management/literacy, communication and interpersonal skills, life coaching, job search assistance, job attainment skills, and other such soft life and self-sufficiency skills to a minimum of 12 shelter residents.
- Provide and record important demographic data on the local homeless population (to record as sheltered individuals) into the local Homeless Management Information System (HMIS) and/or Coordinated Entry System (CES), as well as in-house assessment and verification tools to capture and record participant information, for coordination with networked services and data sharing under the Continuum of Care.

D. Performance Monitoring. The Grantee will monitor the performance of the Subrecipient against goals, performances standards, and expenditure deadlines as stated elsewhere in this agreement. Substandard performance as determined by the Grantee will constitute noncompliance with this Agreement. If action to correct such substandard performance is not taken by the Subrecipient within a reasonable period of time after being notified by the Grantee, suspension, or termination procedures applicable to this Agreement will be initiated.

E. Staffing. Subrecipient shall furnish all personnel necessary to perform the Services and shall be responsible for their performance and compensation. Subrecipient recognizes that the qualifications and experience of the personnel to be used are vital to professional and timely completion of the Services. The key personnel listed below shall remain assigned through completion of the Services, unless otherwise mutually agreed by the parties in writing, or caused by hardship, resignation, or conflict of interest, in which case substitutes shall be subject to the City's approval.

The Subrecipient will dedicate the following staffing to the Program:

II. TERM OF PERFORMANCE

The term of this Agreement and the provisions herein shall be extended to cover any additional time period during which the Subrecipient remains in control of CDBG funds or other CDBG assets, including program income, after June 30, 2021, especially considering that the execution of this agreement has been delayed in part by the Coronavirus pandemic and other factors. A. General Compliance. The Subrecipient agrees to comply with the requirements of Title 24 of the Code of Federal Regulations, Part 570 (the U.S. Housing and Urban Development regulations concerning CDBG, including Subpart K of these regulations), except that:

1. The Subrecipient does not assume the recipient's ("Grantee's" herein) environmental responsibilities described in 24 CFR 570.604; and,
2. The Subrecipient does not assume the Grantee's responsibility for initiating the review process under the provisions of 24 CFR Part 52.

The Subrecipient also agrees to comply with all other applicable Federal, state, and local laws, regulations, and policies governing the funds provided under this Agreement. The Subrecipient further agrees to utilize funds available under this Agreement to supplement rather than supplant funds otherwise available.

B. Independent Contractor. Nothing contained in this Agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the parties. The Subrecipient shall at all times remain an "independent contractor" with respect to the services to be performed under this Agreement. The Grantee shall be exempt from payment of all Unemployment Compensation, FICA, retirement,¹ life and/or medical insurance,² and Worker's Compensation Insurance, as the Subrecipient is an independent contractor.

¹ Unless the services under this Agreement are provided by a former City employee who is now retired and Grantee is otherwise obligated to pay for the same.

² Unless the services under this Agreement are provided by a former City employee who is now retired and Grantee is otherwise obligated to pay for the same.

Subrecipient shall determine the method, details, and means by which it provides Services, so long as they are consistent with all applicable HUD requirements. Subrecipient shall be responsible to the City only for the requirements and results specified in this Agreement, and, except as expressly provided in this Agreement, shall not be subjected to the City's control with respect to the physical action or activities of Subrecipient in fulfillment of this Agreement. If in the performance of this Agreement, any third persons are employed by Subrecipient, such persons shall be entirely and exclusively under the direction, supervision, and control of Subrecipient. All terms of employment, including hours, wages, working conditions, discipline, hiring, and discharging or any other term of employment or requirements of law, shall be determined by Subrecipient.

C. Indemnity/Hold Harmless. Except as to the sole negligence or willful misconduct of the City, the Subrecipient shall agree to indemnify, protect, defend (with counsel selected by the City), save, and hold the City, its officers, employees, agents, and volunteers harmless from any and all claims, suits, charges, judgements, actions, damages, or whatsoever that arise out of the Subrecipient's performance or nonperformance of the services or subject matter called for in this Agreement. This indemnification provision shall apply to any acts or omissions, willful misconduct, or negligent conduct, whether active or passive, on the part of the Subrecipient or of Subrecipient's employees, subcontractors, or agents. Subrecipient understands and agrees that it shall defend the City from any claim even if it appears to be without merit. Subrecipient shall also defend, indemnify, and hold the City harmless from any loss, damage, or cost incurred because of any claim by any person or entity, regarding Subrecipient has failed to meet any requirements of HUD. Parties agree that this Section shall survive the expiration or early termination of the Agreement.

D. Insurance & Bonding. The Subrecipient shall carry sufficient insurance coverage to protect contract assets from loss due to theft, fraud, and/or undue physical damage, and as a minimum shall purchase a blanket fidelity bond covering all employees in an amount equal to cash advances from the Grantee. Any insurance policy or coverage provided by Subrecipient or subcontractors as required by this Agreement shall be deemed inadequate and a material breach of this Agreement, unless such policy or coverage is issued by insurance companies authorized to transact insurance business in the State of California with a policy holder's rating of A or higher and a Financial Class of VII or higher.

1. Limitations. These minimum amounts of coverage shall not constitute any limitation or cap on Subrecipient's indemnification obligations.
2. Cancellation. The policies shall not be canceled unless thirty (30) days prior written notification of intended cancellation has been given to the City by certified or registered mail, postage prepaid.
3. Adequacy. City, its officers, employees, and agents make no representation that the types or limits of insurance specified to be carried by Subrecipient pursuant to this Agreement are adequate to protect Subrecipient. If Subrecipient believes that any required insurance coverage is inadequate, Subrecipient will obtain such additional insurance coverage, as Subrecipient deems adequate, at Subrecipient's sole expense.
4. Workers' Compensation Insurance. By executing this Agreement, Subrecipient represents that Subrecipient is aware of and will comply with Section 3700 of the California Labor Code requiring every employer to be insured against liability for workers' compensation, or to undertake self-insurance before commencing any of the work. Subrecipient shall carry the insurance or provide for self-insurance required by California law to protect said Subrecipient from claims under the Workers' Compensation Act for all of its employees involved in the performance of this Agreement. Prior to the City's execution of this Agreement, Subrecipient shall file with City either (1) a certificate of insurance showing that such insurance is in effect, or that Subrecipient is self-insured for such coverage, or (2) a certified statement that Subrecipient has no employees, and acknowledging that if Subrecipient does employ any person, the necessary certificate of insurance will immediately be filed with the City. Any certificate filed with the City shall provide that the City will be given at least ten (10) days prior written notice before

modification or cancellation thereof. The policy shall be endorsed to waive the insurer's subrogation rights against the City.

5. Commercial General Liability. Prior to the City's execution of this Agreement, Subrecipient shall obtain, and shall thereafter maintain during the term of this Agreement, commercial general liability insurance as required to insure Subrecipient against damages for personal injury, including accidental death, as well as from claims for property damage, which may arise from or which may concern operations by anyone directly or indirectly employed by, connected with, or acting for or on behalf of Subrecipient.

Subrecipient's commercial general liability insurance policy shall cover both bodily injury (including death) and property damage (including, but not limited to, premises operations liability, products completed operations liability, independent contractor's liability, personal injury liability, and contractual liability) in an amount not less than \$1,000,000 per occurrence and a general aggregate limit in the amount of not less than \$2,000,000.

Said policies shall be in the usual form of commercial general and automobile liability insurance policies but shall include the following provisions:

- a. Subcontractors' Insurance. Subrecipient shall require all of its subcontractors to carry insurance, in an amount sufficient to cover the risk of injury, damage or loss, which may be caused by the subcontractors' scope of work and activities provided in furtherance of this Agreement, including, but without limitation, the following coverages: Workers' Compensation, Commercial General Liability, Errors and Omissions, and Automobile liability. Upon the City's request, Subrecipient shall provide the City with satisfactory evidence that subcontractors have obtained insurance policies and coverages required by this section.

- b. Commercial Automobile Insurance. Subrecipient is required to provide commercial automobile liability insurance for this Agreement with the exception being those subrecipients that do not require the use of an automobile to meet program requirements as detailed in the Scope of Work.

If Subrecipient requires the use of an automobile or must drive to meet program requirements in the Scope of Work, Subrecipient must submit insurance certificates acceptable to the City that meet the following requirement(s): Subrecipient's automobile liability policy shall cover both bodily injury and property damage in an amount not less than \$1,000,000 per

occurrence and an aggregate limit of not less than \$1,000,000. All of Subrecipient's automobile and/or commercial general liability insurance policies shall cover all vehicles used in connection with Subrecipient's performance of this Agreement, which vehicles shall include, but are not limited to, Subrecipient owned vehicles, Subrecipient leased vehicles, Subrecipient's employee vehicles, non-Subrecipient owned vehicles, and hired vehicles.

6. Cyber Liability Insurance. Subrecipient shall maintain during the term of this Agreement, cyber liability insurance with limits of \$1,000,000 per occurrence or claim and \$1,000,000 aggregate, or such other coverage, sufficiently broad to respond to the duties and obligations as is undertaken by Subrecipient under this Agreement, including, but not be limited to, claims involving invasion of privacy violations, information theft, damage to or destruction of electronic information, release of private information, alteration of electronic information, extortion, and network security.

- E. Duplication of Benefits. HUD requires that there are adequate procedures in place to prevent any duplication of benefits, which helps to guard against fraud and ineligible uses of taxpayer dollars.

Duplication of service occurs when a person, household, business, government, or entity receives financial assistance from multiple sources for the same purpose, and the total assistance received, available, or forthcoming for that purpose is more than the total need for assistance. As such, establishing a process to effectively manage available funding streams and/or other awarded grant funds shall be carried out by Subrecipient.

The basic method and procedure for determining unmet need is as follows:

1. Assess Need: Determine the total amount of need by collecting all documentation provided by the beneficiary and all other documentation that provides clear demonstration of the need for assistance and reasonableness of the amount requested.
2. Determine Assistance: Identify all potentially duplicative assistance that has or will be provided from all sources to pay for the costs by collecting documentation of other assistance received, applied for, awarded but not yet received, etc.
3. Calculate Unmet Need: Determine the amount of assistance already provided compared to the need, to determine the maximum

award/assistance available (deduct assistance determined to be duplicative).

4. Document Analysis and Recordkeeping: Maintain the resulting calculation of unmet need and related documents in the program record.
5. Total Assistance: The total assistance provided to the beneficiary must be less than or equal to the unmet.

Subrogation Statement: the Subrecipient, by entering into this Agreement, agrees to repay in full to the Grantee any assistance that is disbursed to a beneficiary and later found to be duplicative.

- F. Grantee Recognition. The Subrecipient shall insure recognition of the role of the Grantee in providing services through this Agreement. All activities, facilities, and items utilized pursuant to this Agreement shall be prominently labeled as to funding source. In addition, the Subrecipient will include a reference to the support provided herein in all advertisements, notifications, publications, signs, brochures, and other promotional or information material made possible with funds made available under this Agreement.
- G. Amendments. The Grantee or Subrecipient may amend this Agreement at any time provided that such amendments make specific reference to this Agreement, and are executed in writing, signed by a duly authorized representative of each organization, and approved by the Grantee's governing body. Such amendments shall not invalidate this Agreement, nor relieve or release the Grantee or Subrecipient from its obligations under this Agreement.

The Grantee may, in its discretion, amend this Agreement to conform with Federal, state, or local governmental guidelines, policies, and available funding amounts, or for other reasons. If such amendments result in a change in the funding, the scope of services, or schedule of the activities to be undertaken as part of this Agreement, such modifications will be incorporated only by written amendment signed by both Grantee and Subrecipient.

H. Suspension or Termination.

1. For Cause. The City may suspend or terminate this Agreement immediately if Subrecipient materially fails to comply with any terms of this Agreement, including but not limited to:

- a. Failure to comply with any of the rules, regulations or provisions referred to herein, or such statutes, regulations, executive orders, and HUD guidelines, policies or directives as may become applicable at any time;
 - b. Failure, for any reason, to fulfill in a timely and proper manner its obligations under this Agreement;
 - c. Improper use of Grant Funds provided under this Agreement; and
 - d. Submission of reports that are incorrect or incomplete in any material respect.
2. For Cause - Additional Remedies. If Subrecipient materially fails to comply with any term of this Agreement, the City, in addition to immediate termination or suspension, may also take any one or more of the following actions as appropriate in the circumstances:
- a. Temporarily withhold cash payments pending correction of the deficiency by Subrecipient;
 - b. Disallow all or part of the cost of the activity or action not in compliance;
 - c. Withhold further awards for the Program; and
 - d. Take other remedies that may be legally available.
3. Availability of Funding. The City's allocation of funding to Subrecipient pursuant to this Agreement is contingent upon the availability to the City of Grant Funds and continued authorization for program activities by HUD. In the event of funding reduction, the City may reduce the budget for this program as a whole or as to cost category, and may, at its sole discretion, limit Subrecipient's authority to commit and spend funds, and may restrict Subrecipient's use of both its uncommitted and its unspent funds. Should funding change, the City may suspend the operation of this Agreement for up to sixty (60) days, upon three (3) days written notice to Subrecipient of its intention to so act. In no event, however, shall any revision made by the City affect expenditures and legally binding commitments made by Subrecipient before it received notice of such revision, provided that such amounts have been committed in good faith and are otherwise allowable and that such commitments are consistent with HUD cash withdrawal guidelines.
4. Without Cause. Notwithstanding any other provision of this Agreement, this Agreement may be terminated for convenience by either Party, upon thirty (30) days written notice to the other Party, in whole or in part, by setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if in the case of a partial termination, the Grantee determines that the remaining portion of the award

will not accomplish the purpose for which the award was made, the Grantee may terminate the award in its entirety.

5. Costs Following Termination. Costs of Subrecipient resulting from obligations incurred by the Subrecipient during a suspension or after termination of this Agreement are not allowable unless the City expressly authorizes them in the Notice of Suspension or Termination. Other Subrecipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowed if: (a) the costs resulted from obligations which were properly incurred by Subrecipient before the effective date of suspension or termination, are not in anticipation of it, and, in the case of a termination, are noncancellable; and (b) the costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

VIII. ADMINISTRATIVE REQUIREMENTS

A. Financial Management

1. Revenue Disclosure Requirement. Subrecipient certifies that it has previously filed with the City a written statement listing all revenue received, or expected to be received, by Subrecipient from federal, state, city, or county sources, and from other governmental agencies, and applied or expected to offset, in whole or in part, any of the costs incurred by Subrecipient in conducting current or prospective projects, programs, or business activities, including, but not limited to the Program. Such statement shall reflect the name and a description of such project, program, or business activity, the dollar amount of funding provided, or to be provided, by each and every governmental agency to each such project, program, or business activity, and the full name and address of such governmental agency. For those projects, programs, and business activities in which there are sources of funds from the private sector, Subrecipient shall provide proof of such funding. City shall not pay for any services provided by Subrecipient which are funded by other sources. All restrictions and/or requirements provided in this Agreement relative to accounting, budgeting, and reporting, apply to the total project, program, or business activity regardless of funding sources.
2. Accounting Standards. The Subrecipient agrees to comply with 2 CFR part 200 and 24 CFR 84.21–28 and agrees to adhere to the accounting principles and procedures required therein, utilize adequate internal controls, and maintain necessary source documentation for all costs incurred.

3. Cost Principles. The Subrecipient shall administer its program in conformance with OMB Circulars 2 CFR part 200, Subpart E – Cost Principles, as applicable. These principles shall be applied for all costs incurred whether charged on a direct or indirect basis. Misuse of program funds is a federal offense and is subject to reimbursement and immediate cancellation of this Agreement.
4. Use of Grant Funds. Except as otherwise limited by this Agreement, Grant Funds shall be used exclusively to implement the Program and carry-out the Services. Grant Funds shall not be used as security or to guarantee payments for any non-program obligations, nor as loans or grants for non-program activities. All bank accounts for Subrecipient shall be non-interest bearing and Subrecipient agrees that it shall not use Grant Funds to pay for entertainment, meals, or gifts.
5. Budget. Subrecipient hereby certifies and agrees that Grant Funds shall be used exclusively as described in the Proposed Budget, attached hereto as Exhibit "A" and incorporated herein by reference. Subrecipient shall not make expenditures that deviate from the Budget without prior written approval of the City. City may approve Budget modifications to this Agreement for the movement of funds within the budget categories when such modifications: (i) do not exceed \$10,000 per budget cost category; (ii) are specifically requested by City; (iii) do not alter the amount of compensation subject to or under this Agreement; (iv) will not change the project, program, or business activity goals or scope of services; and (v) are in the best interests of the City and Subrecipient in performing the scope of services under this Agreement.

B. Documentation and Record Keeping

1. Records to be Maintained. The Subrecipient shall maintain all records required by the Federal regulations specified in 24 CFR 570.506, that are pertinent to the activities to be funded under this Agreement. Such records shall include but not be limited to:
 - a. Records providing a full description of each activity undertaken, including the amount of CDBG funds budgeted, obligated, and expended for the activities, and the provision in 24 CFR 570 Subpart C under which it is eligible;
 - b. Records demonstrating that each activity undertaken meets the National Objective of the CDBG program;

- c. Records that demonstrate the Subrecipient has made the income determinations required as a condition of eligibility of certain activities, as specifically required in 24 CFR 570.506(b)(3)(ii) and (iii);
 - d. Records which demonstrate compliance with 24 CFR 570.503(b)(7) and 570.505 regarding use of real property acquired or improved in whole or in part with CDBG funds in excess of \$25,000;
 - e. Records which demonstrate compliance with the requirements in 24 CFR 570.606 regarding acquisition, displacement, relocation, and replacement housing;
 - f. Records documenting compliance with the fair housing and equal opportunity components of the CDBG program;
 - g. Financial records as required by 24 CFR 570.502, 2 CFR part 200, and 24 CFR 84.21–28.
 - h. Other records necessary to document compliance with Subpart K of 24 CFR Part 570.
 - i. Documentation of all Grant Funds received from the City or other funds to operate the project, program, or business activity herein by Subrecipient.
 - j. If the services of other businesses within the City of Merced are used in the implementation of this program and reimbursement for those services is requested, City of Merced business license records of such businesses shall be provided. Subrecipient may contact either the Finance Department or Housing Division to verify current business license status.
 - k. Any other related records as City shall require.
2. Retention. The Subrecipient shall retain all financial records, supporting documents, statistical records, and all other records pertinent to the Agreement for a period of four (4) years. The retention period begins on the date of the submission of the Grantee's annual performance and evaluation report to HUD in which the activities assisted under the Agreement are reported on for the final time. Notwithstanding the above, if there is litigation, claims, audits, negotiations or other actions that involve any of the records cited and that have started before the expiration of the four-year period, then such records must be retained until completion of the actions and resolution of all issues, or the expiration of the four-year period, whichever occurs later.
3. Client Data. The Subrecipient shall maintain client data demonstrating client eligibility for services provided. Such data shall include, but not be limited to, client name, address, income level or other basis for determining eligibility, and description of service provided. Such information shall be made available to Grantee monitors or their designees for review upon request.

4. Disclosure. The Subrecipient understands that client information collected under this contract is private and the use or disclosure of such information, when not directly connected with the administration of the Grantee's or Subrecipient's responsibilities with respect to services provided under this contract, is prohibited unless written consent is obtained from such person receiving service and, in the case of a minor, that of a responsible parent/guardian.
5. Close-outs. The Subrecipient's obligation to the Grantee shall not end until all close-out requirements are completed. Activities during this close-out period shall include, but are not limited to: making final payments, disposing of program assets (including the return of all unused materials, equipment, unspent cash advances, program income balances, and accounts receivable to the Grantee), requirements for retention of assets, and determining the custodianship of records. Notwithstanding the foregoing, the terms of this Agreement shall remain in effect during any period that the Subrecipient has control over CDBG-CV/CDBG funds and/or assets, including program income.
6. Audits & Inspections
 - a. Records. Subrecipient's records shall be open to inspection and audit by the authorized representatives of the City, HUD, and the Comptroller General during regular working hours. Said records shall be retained for such time as may be required by the regulations of the Housing and Community Development Act, but in no case for less than five (5) years after completion of an audit. Records which relate to (a) complaints, claims, administrative proceedings or litigation arising out of the performance of this Agreement, or (b) costs and expenses of this Agreement to which the City or any other governmental agency takes exception, shall be retained beyond the five (5) years until resolution or disposition of such appeals, litigation claims, or exceptions.
 - b. External Audits. If required by the U.S. Department of Housing and Urban Development, Subrecipient shall obtain an external audit in accordance with the single audit regulations (24 CFR Part 44.6). The audit report shall be submitted to the City within 180 days after the termination of this Agreement. Subrecipients which receive less than \$750,000 in total federal financial assistance annually shall be monitored through site visits, limited scope audits, or other means in accordance with 31 U.S.C.

7502(f)(2)(B). The cost of any independent audits or attestation engagements, other than limited scope audits shall not be charged to the Federal awards in accordance with OMB Circular A- 133 Compliance Supplement (for governmental entities and non-profit subrecipients) and 31 U.S.C. 7505(b)(1)(A)(ii). Subrecipients which receive \$750,000 or more in total federal financial assistance in a year are required to obtain an independent audit in accordance with OMB Circular A- 133 Compliance Supplement (for governmental entities and non-profit subrecipients) and 31 U.S.C. 7502(a)(1)(A).

- c. Organization agrees to provide City at Organization's cost, a certified audit performance by an accredited certified public account, of all funds received or utilized by Organization, including the distribution of CDBG Funds and HOME funds for fiscal year 2020/2021 to be delivered to City by March 31, 2022.

C. Reporting and Payment Procedures

1. Program Income. The Subrecipient shall report quarterly all program income (as defined at 24 CFR 570.500(a)) generated by activities carried out with CDBG funds made available under this Agreement. The use of program income by the Subrecipient shall comply with the requirements set forth at 24 CFR 570.504. By way of further limitations, the Subrecipient may use such income during the contract period for activities permitted under this contract and shall reduce requests for additional funds by the amount of any such program income balances on hand. All unexpended program income shall be returned to the Grantee at the end of the contract period. Any interest earned on cash advances from the U.S. Treasury and from funds held in a revolving fund account is not program income and shall be remitted promptly to the Grantee.
2. Indirect Costs. HUD defines indirect costs as those "serving common or joint objectives of the organization as a whole," and shared across multiple programs or cost centers, such as: rent, utilities, maintenance, and other expenditures related to shared space; administrative and executive team functions that support multiple program areas; or, purchases, transportation, and staff expenses that benefit multiple program areas. Therefore, indirect costs do not directly benefit a particular program or activity. If indirect costs are charged, the Subrecipient shall develop an indirect cost allocation plan per HUD Guidelines, using one of three alternative methods for allocating direct costs (Simplified Allocation Method, Direct Allocation Method, or 'De

Minimis' Indirect Cost Rate) for determining the appropriate Subrecipient's share of administrative costs and shall submit such plan to the Grantee for approval, in a form specified by the Grantee.

3. Payment Procedures. The Grantee will pay to the Subrecipient the funds available under this Agreement based upon information submitted by the Subrecipient and consistent with any approved budget and Grantee policy concerning payments. With the exception of certain advances, payments will be made for eligible expenses actually incurred by the Subrecipient, and not to exceed actual cash requirements. Payments will be adjusted by the Grantee in accordance with advance fund and program income balances available in Subrecipient accounts. In addition, the Grantee reserves the right to liquidate funds available under this contract for costs incurred by the Grantee on behalf of the Subrecipient.
4. Progress Reports. The Subrecipient shall submit regular Progress Reports to the Grantee in the form, content, and frequency as required by the Grantee.

D. Procurement

1. Compliance. The Subrecipient shall comply with current Grantee policy concerning the purchase of equipment and shall maintain inventory records of all non-expendable personal property as defined by such policy as may be procured with funds provided herein. All program assets (unexpended program income, property, equipment, etc.) shall revert to the Grantee upon termination of this Agreement.
2. Office of Management and Budget Standards. Unless specified otherwise within this Agreement, the Subrecipient shall procure all materials, property, or services in accordance with the requirements of 24 CFR 84.40–48 "Procurement Standards."
3. Travel. The Subrecipient shall obtain written approval from the Grantee for any travel costs, per Section 2 CFR 200.474 "Travel Costs," using funds provided under this Agreement. When requesting reimbursement for such travel costs, a mileage log showing origination and destination addresses of all trips (including multiple billable destinations in one day), current mileage rate, total mileage, dates of travel, and name(s) of traveler(s) shall be submitted as required backup documentation.

E. Use and Reversion of Assets. The use and disposition of real property and equipment under this Agreement shall be in compliance with the requirements of 2 CFR part 200, 24 CFR Part 84 and 24 CFR 570.502, 570.503, and 570.504 as applicable, which include but are not limited to the following:

1. The Subrecipient shall transfer to the Grantee any CDBG funds on hand and any accounts receivable attributable to the use of funds under this Agreement at the time of expiration, cancellation, or termination.
2. Real property under the Subrecipient's control that was acquired or improved, in whole or in part, with funds under this Agreement in excess of \$25,000 shall be used to meet one of the CDBG National Objectives pursuant to 24 CFR 570.208 until five (5) years after expiration of this Agreement. If the Subrecipient fails to use CDBG-assisted real property in a manner that meets a CDBG National Objective for the prescribed period of time, the Subrecipient shall pay the Grantee an amount equal to the current fair market value of the property less any portion of the value attributable to expenditures of non-CDBG funds for acquisition of, or improvement to, the property. Such payment shall constitute program income to the Grantee. The Subrecipient may retain real property acquired or improved under this Agreement after the expiration of the five-year period.

In all cases in which equipment acquired, in whole or in part, with funds under this Agreement is sold, the proceeds shall be program income (prorated to reflect the extent to that funds received under this Agreement were used to acquire the equipment). Equipment not needed by the Subrecipient for activities under this Agreement shall be (a) transferred to the Grantee for the CDBG program or (b) retained after compensating the Grantee.

IX. PERSONNEL & PARTICIPANT CONDITIONS

A. Civil Rights

1. Compliance. The Subrecipient agrees to comply with Title VI of the Civil Rights Act of 1964 as amended, Title VIII of the Civil Rights Act of 1968 as amended, Section 104(b) and Section 109 of Title I of the Housing and Community Development Act of 1974 as amended, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990, the Age Discrimination Act of 1975, Executive Order 11063, and Executive Order 11246 as amended by Executive Orders 11375, 11478, 12107, and 12086.

2. Nondiscrimination. The Subrecipient agrees to comply with the non-discrimination in employment and contracting opportunities laws, regulations, and executive orders referenced in 24 CFR 570.607, as revised by Executive Order 13279. The applicable non-discrimination provisions in Section 109 of the Housing and Community Development Act of 1974, prohibiting discrimination on the basis of race, color, national origin, disability, age, religion, or gender, are still applicable.
3. Land Covenants. This contract is subject to the requirements of Title VI of the Civil Rights Act of 1964 (P. L. 88-352) and 24 CFR 570.601 and 570.602. In regard to the sale, lease, or other transfer of land acquired, cleared or improved with assistance provided under this contract, the Subrecipient shall cause or require a covenant running with the land to be inserted in the deed or lease for such transfer, prohibiting discrimination as herein defined, in the sale, lease or rental, or in the use or occupancy of such land, or in any improvements erected or to be erected thereon, providing that the Grantee and the United States are beneficiaries of and entitled to enforce such covenants. The Subrecipient, in undertaking its obligation to carry out the program assisted hereunder, agrees to take such measures as are necessary to enforce such covenant, and will not itself so discriminate.
4. Section 504. The Subrecipient agrees to comply with all Federal regulations issued pursuant to compliance with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), which prohibits discrimination against the individuals with disabilities or handicaps in any Federally assisted program. The Grantee shall provide the Subrecipient with any guidelines necessary for compliance with that portion of the regulations in force during the term of this Agreement.

B. Affirmative Action

1. Approved Plan. The Subrecipient agrees that it shall be committed to carry out pursuant to the Grantee's specifications an Affirmative Action Program in keeping with the principles as provided in President's Executive Order 11246 of September 24, 1965, as amended. The Grantee shall provide Affirmative Action guidelines to the Subrecipient to assist in the formulation of such program. The Subrecipient shall submit a plan for an Affirmative Action Program for approval prior to the award of funds.
2. Women- and Minority-Owned Businesses (W/MBE). The Subrecipient will use its best efforts to afford small businesses (to include microenterprises),

minority business enterprises, and women's business enterprises the maximum practicable opportunity to participate in the performance of this contract. As used in this contract, the terms "small business" means a business that meets the criteria set forth in section 3(a) of the Small Business Act, as amended (15 U.S.C. 632), and "minority and women's business enterprise" means a business at least fifty-one (51) percent owned and controlled by minority group members or women. For the purpose of this definition, "minority group members" are Afro-Americans, Spanish-speaking, Spanish surnamed or Spanish-heritage Americans, Asian-Americans, and American Indians. The Subrecipient may rely on written representations by businesses regarding their status as minority and female business enterprises in lieu of an independent investigation.

3. Access to Records. The Subrecipient shall furnish and cause each of its own subrecipients or subcontractors to furnish all information and reports required hereunder and will permit access to its books, records, and accounts by the Grantee, HUD or its agent, or other authorized Federal officials for purposes of investigation to ascertain compliance with the rules, regulations, and provisions stated herein.
4. Notifications. The Subrecipient will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or worker's representative of the Subrecipient's commitments hereunder, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
5. Equal Employment Opportunity and Affirmative Action (EEO/AA) Statement. The Subrecipient will, in all solicitations or advertisements for employees placed by or on behalf of the Subrecipient, state that it is an Equal Opportunity or Affirmative Action employer.
6. Subcontract Provisions. The Subrecipient will include the provisions of Paragraphs X.A - Civil Rights, and X.B. - Affirmative Action, in every subcontract or purchase order, specifically or by reference, so that such provisions will be binding upon each of its own subrecipients or subcontractors.

C. Employment Restrictions

1. Prohibited Activity. The Subrecipient is prohibited from using funds provided herein or personnel employed in the administration of the program for: political activities; inherently religious activities; lobbying; political patronage; and nepotism activities.
2. Labor Standards.
 - a. The Subrecipient agrees to comply with the requirements of the Secretary of Labor in accordance with the Davis-Bacon Act as amended, the provisions of Contract Work Hours and Safety Standards Act (40 U.S.C. 327 *et seq.*) and all other applicable Federal, state and local laws and regulations pertaining to labor standards insofar as those acts apply to the performance of this Agreement. The Subrecipient agrees to comply with the Copeland Anti-Kick Back Act (18 U.S.C. 874 *et seq.*) and its implementing regulations of the U.S. Department of Labor at 29 CFR Part 5. The Subrecipient shall maintain documentation that demonstrates compliance with hour and wage requirements of this part. Such documentation shall be made available to the Grantee for review upon request.
 - b. The Subrecipient agrees that, except with respect to the rehabilitation or construction of residential property containing less than eight (8) units, all contractors engaged under contracts in excess of \$2,000.00 for construction, renovation or repair work financed in whole or in part with assistance provided under this contract, shall comply with Federal requirements adopted by the Grantee pertaining to such contracts and with the applicable requirements of the regulations of the Department of Labor, under 29 CFR Parts 1, 3, 5 and 7 governing the payment of wages and ratio of apprentices and trainees to journey workers; provided that, if wage rates higher than those required under the regulations are imposed by state or local law, nothing hereunder is intended to relieve the Subrecipient of its obligation, if any, to require payment of the higher wage. The Subrecipient shall cause or require to be inserted in full, in all such contracts subject to such regulations, provisions meeting the requirements of this paragraph.
 - c. Advice of Prevailing Wage: Pursuant to Section 1781 of the Labor Code, Consultant/Contractor is advised that the work contemplated in this contract may be subject to the payment of prevailing wages and all other requirements of the Prevailing Wage Law. The prevailing wage of each

job classification may be found by inquiry with the California Department of Industrial Relations. Consultant/Contractor shall comply with all laws related to the performance of public work including, but not limited to, the employment of apprentices pursuant to Section 1777.5 of the Labor Code, work day/week hours and overtime rates pursuant to Sections 1813 and 1815 of the Labor Code and the obligation set forth in Sections 1774-1776 of the Labor Code in regards to payment of prevailing wages and to provide the City of Merced and Department of Industrial Relations certified payrolls when required. A certified copy of all payroll records relative to this project shall be submitted to the City of Merced along with the related invoice. Receipt of certified payroll records is a prerequisite to receiving payment.

- d. No Consultant/Contractor or sub-consultant/contractor may be listed on a bid proposal for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code Section 1725.5. No Consultant/Contractor or sub-consultant/contractor may be awarded a contract for public work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code Section 1725.5. All Consultants/Contractors or sub-consultants/contractors must furnish electronic certified payroll records to the Labor Commissioner. This requirement applies to all public works projects, whether new or ongoing. Consultant/Contractor is further advised that the work contemplated herein is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

3. "Section 3" Clause

- a. Compliance. Compliance with the provisions of Section 3 of the HUD Act of 1968, as amended, and as implemented by the regulations set forth in 24 CFR 135, and all applicable rules and orders issued hereunder prior to the execution of this contract, shall be a condition of the Federal financial assistance provided under this contract and binding upon the Grantee, the Subrecipient and any of the Subrecipient's subrecipients and subcontractors. Failure to fulfill these requirements shall subject the Grantee, the Subrecipient and any of the Subrecipient's subrecipients and subcontractors, their successors and assigns, to those sanctions specified by the Agreement through which Federal assistance is provided. The Subrecipient certifies and agrees that no contractual or other disability exists that would prevent compliance with these requirements.

The Subrecipient further agrees to comply with these “Section 3” requirements and to include the following language in all subcontracts executed under this Agreement:

“The work to be performed under this Agreement is a project assisted under a program providing direct Federal financial assistance from HUD and is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701). Section 3 requires that to the greatest extent feasible opportunities for training and employment be given to low- and very low-income residents of the project area, and that contracts for work in connection with the project be awarded to business concerns that provide economic opportunities for low- and very low-income persons residing in the City Limits of Merced in which the project is located.”

The Subrecipient further agrees to ensure that opportunities for training and employment arising in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project are given to low- and very low-income persons residing within the City Limits of Merced in which the CDBG-funded project is located; where feasible, priority should be given to low- and very low-income persons within the service area of the project or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs; and award contracts for work undertaken in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project to business concerns that provide economic opportunities for low- and very low-income persons residing within the City Limits of Merced in which the CDBG-funded project is located; where feasible, priority should be given to business concerns that provide economic opportunities to low- and very low-income residents within the service area or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs.

The Subrecipient certifies and agrees that no contractual or other legal incapacity exists that would prevent compliance with these requirements.

- b. Notifications. The Subrecipient agrees to send to each labor organization or representative of workers with which it has a collective bargaining

agreement or other contract or understanding, if any, a notice advising said labor organization or worker's representative of its commitments under this Section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.

- c. Subcontracts. The Subrecipient will include this Section 3 clause in every subcontract and will take appropriate action pursuant to the subcontract upon a finding that the subcontractor is in violation of regulations issued by the grantor agency. The Subrecipient will not subcontract with any entity where it has notice or knowledge that the latter has been found in violation of regulations under 24 CFR Part 135 and will not let any subcontract unless the entity has first provided it with a preliminary statement of ability to comply with the requirements of these regulations.

Subrecipient shall check all contractors against the Federal publication that lists debarred, suspended, and ineligible contractors.
- 3. Hatch Act. The Subrecipient agrees that no funds provided, nor personnel employed under this Agreement, shall be in any way or to any extent engaged in the conduct of political activities in violation of Chapter 15 of Title V of the U.S.C.
 - 4. Conflict of Interest. The Subrecipient agrees to abide by the provisions of 24 CFR 84.42 (Codes of Conduct) and 24 CFR 570.611 (Conflict of Interest), which include (but are not limited to) the following:

- C. Lead-Based Paint. The Subrecipient agrees that any construction or rehabilitation of residential structures with assistance provided under this Agreement shall be subject to HUD Lead-Based Paint Regulations at 24 CFR 570.608, and 24 CFR Part 35, Subpart B. Such regulations pertain to all CDBG-assisted housing and require that all owners, prospective owners, and tenants of properties constructed prior to 1978 be properly notified that such properties may include lead-based paint.
