Citizen Action Request Form: Traffic Committee

Contact Person: Deborah Byrne Day Phone: [REDACTED]

Email Address: [REDACTED]

Address: [REDACTED] Today's Date: 10/20/2025

Location of Concern (map attachments and photographs are encouraged):

El Portal Drive, between McKee Rd and Parsons Ave.

Describe Concerns At This Location:

The speed limit on this section of residential road is 25 mph - posted at each end and at the midpoint of this road. However, while some observe the speed limit, many more cars speed through this area like it's a major road and do not heed the speed limit signs. There are children in this neighborhood and many people out walking and biking, and the fast speeds of many cars are a danger to our residents.

Requesting ANY type of deterrent be placed on this section of El Portal Drive to slow down traffic (e.g. radar monitoring, lane narrowing with bike lane, crosswalk + choker, speed humps, etc).
