

Sole Source for STALKER Lidar XS Speed Measurement Instrument

This is to confirm and verify that Applied Concepts, Inc., 855 E Collins Blvd, Richardson, TX 75081 is the sole source manufacturer of the **STALKER Lidar XS** Speed Measurement Instrument. There is no other Lidar instrument being manufactured that meets the specifications of the **STALKER Lidar XS** Speed Measurement Instrument.

- The Stalker Lidar XS is the smallest and lightest hand-held gun-type lasers on the market at a mere 2.3 lbs.
- The Lidar XS has a snap-in lithium ion battery handle that provides ample power for two or more shifts and lasts through more than 500 charging cycles.
- Applied Concepts, Inc was awarded an ISO 9001:2015 Certificate of Registration for design, manufacture and service of speed measurement products. This is unique in our market segment.

All Stalker Radar products are made in the USA and are in full compliance with the Buy American Act.

The **STALKER Lidar XS** Speed Measurement Instrument can only be purchased directly from Applied Concepts, Inc. or through one of our Regional Sales Managers.

Respectfully Submitted,

Jan Achilles
